AMENDMENT NUMBER 1CONTRACT NUMBER 30005601

FOR

Spectator Venues On-Call Engineering Services

Pursuant to Ordinance Number \_\_\_\_\_.

This Contract was made and entered by and between Miller Consulting Engineers, Inc., hereinafter called Consultant, and the City of Portland, a municipal corporation of the State of Oregon, by and through its duly authorized representatives, hereinafter called City.

1. Additional capacity to do work under this contract is needed because of the complexity and specialized nature of the aging spectator venues. Increasing the amount of this On-Call Contract will provide the Spectator Venues Program the opportunity to use the Consultants expertise in structural engineering and seismic analysis on an as-needed basis on other projects over the next 2.5 years, as was the original intent of the contract.
2. Additional compensation is necessary and shall not exceed \$150,000.00 for a new not to exceed total of \$250,000.00.

All other terms and conditions shall remain unchanged and in full force and effect.

## CONSULTANT SIGNATURE

This Contract amendment may be signed in two (2) or more counterparts, each of which shall be deemed an original, and which, when taken together, shall constitute one and the same contract amendment.

The parties agree the City and Consultant may conduct this transaction by electronic means, including the use of electronic signatures.
