

## **ORDINANCE No. 188386**

\*Authorize an Intergovernmental Agreement between the Portland Development Commission and the Office of Government Relations for Federal and State legislative and lobbying activities in the amount of \$35,000 (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. PDC, as the duly designated urban renewal agency of the City of Portland, is granted broad powers under ORS 457.170 for the planning and implementation of urban renewal projects. As part its work, it has need to promote the City's urban renewal policies and ensure that the goals can be achieved legislatively.
2. The Office of Government Relations (OGR) is assigned the responsibility to advance the City of Portland's legislative and governmental policy objectives through effective representation, strategic advice and quality service to the City Council and the city bureaus and offices.
3. OGR frequently performs functions that assist PDC with federal and state legislative matters which directly advance priorities in PDC's Strategic Plan, attached as Exhibit A. OGR connects PDC to federal and state elected and administrative officials to highlight citywide strategies and neighborhood economic development initiatives.
4. At the state legislature, OGR provides PDC assistance with protecting urban renewal authority, reauthorizing E-Commerce overlay designations for Enterprise Zones, authorizing expanded use of Property Assessed Clean Energy (PACE) financing mechanisms, and other legislative matters.
5. In FY 2016-2017, PDC will seek OGR assistance for agency federal priorities such as the New Market Tax Credit program, Community Development Block Grant funding, and other work centered on PDC's federal priorities.

Both parties desire to enter into an Intergovernmental Agreement (IGA) that will establish terms and conditions by which each party will engage in the cooperative arrangement.

NOW THEREFORE, the Council directs:

- a. The Director of the Office of Government Relations or her designee is authorized to execute an intergovernmental agreement with PDC upon approval to form by the City Attorney's Office.
- b. The Director of the Office of Government Relations is authorized to execute

amendments to the intergovernmental agreement, including amending scope of service to be performed by OGR and the total compensation in the agreement, provided that such changes in total compensation have been duly appropriated by City Council for the fiscal year identified in the services agreement amendment, and provided that any such amendment be subject to approval to form by the City Attorney's Office.

Section 2. The Council declares that an emergency exists because the IGA includes services required for the current federal and state legislative priorities and funds that were approved in the Council's FY 2016-2017 budget and any delay may interrupt OGR's ability to assist in carrying out the activities desired in active legislative sessions, therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
