**Contact phone:** 503-823-0364  
**Presenter name:** Capt. Larry Graham

**Purpose of proposed legislation and background information:**

To renew the Clean and Safe agreement with the Portland Business Alliance (PBA).

**Financial and budgetary impacts:**

The PBA reimburses the Police Bureau for salaries, retirement, appropriate overtime, and health benefits costs of officers assigned to serving at the PBA Clean and Safe Program.

**Community impacts and community involvement:**

The Clean & Safe security program's goal is to ensure an orderly downtown through enhanced crime prevention efforts. Security officers provide assistance to the city in resolving public space, maintenance and public safety issues in downtown Portland. They also work closely with the mayor and Portland City Council to support community policing efforts.

The district works with the Portland Police Bureau and the District Attorney's office to provide enhanced public safety services in the downtown area. Private security officers—many of whom are former police officers—patrol the district on foot and on bicycle seven days a week. The district also funds several Portland Police officer positions that are dedicated to the district service territory. The private security officers have direct radio contact with Portland Police officers patrolling the district, which enables rapid response to illegal activity seen by security officers. During their security patrols, Clean & Safe security officers also resolve disputes and provide information and citizen assistance.

The Clean & Safe District's work could not be accomplished without the collaboration with many partners.

Clean & Safe partners include:

- Downtown Marketing Initiative
- Portland Patrol Inc.
- Portland Mall Management Inc. (PMMI)
- TriMet
- Travel Portland
- City of Portland
- Office of Neighborhood Involvement
- Pioneer Courthouse Square
- Central City Concern
