*My name is Joe Walsh and I represent Individuals For Justice*

*Kif Davis sends his regards and wishes he could be with us but is barred from this body by a restraining order instigated by Comm. Fish and his staff. Now to the 1<sup>st</sup> Amendment:*

*It has now been about 48 days since we petitioned 4 of you to resign, and the people have the right and obligation to call for you to step down. You have of course refused to honor your positions and remain to dictate what you millionaire- white politicians think is correct. You are wrong!*

*We will be working to defeat for re-election of danny boy Saltzman, aka Richie Rich and nick fish, aka Benedict Arnold.*

*In our opinion the police department under the direct command of mayor wheeler, aka ted-the-violent used excessive force on the 4<sup>th</sup> of June against innocent people with disabilities, children, and old people who were at Chapman and Lowndale to show the AltRt that this city stands for inclusion and not exclusion. Tell me what offense did I commit or what law did I break by sitting on a park bench when the bombs, chemical attack and shootings took place, you violated my peace, you violated my right to peacefully protest against what I consider lies and exclusion. You terrorized me and my friends from VFP, who got me away from the gas, it would have hurt me and may even have caused my death. You mayor have now become a criminal, maybe some agency or court will hold you accountable.*

*You exclude the angels of the city, Teresa Raiford, Mimi German and Star Stauffer and that tells me all about your corruption. Resign now or face the people of Portland when they realize who you four---going on five are. To be continued!*

You can give your time spot on June 14 to Joe Walsh but, he has to send in his own request. I will need this by 5:00 p.m. today as we are finishing the agenda for next week. His request needs to have his name, address, phone, date he wishes to speak and his topic.

Thank you,

Karla

Joe Walsh is taking my slot to speak on June 14th, at city council, I do not feel that it is safe or wise to go to city council considering the illegal stalking frame-up from Nick Fish & James Dunphy. Last time I went to city council I was arrested and convicted of 'stalking' after James Dunphy stalked me and framed me with the help of G4S Security.
