Purpose of proposed legislation and background information:

This legislation is essential to maintaining advocacy services for survivors of domestic violence at the Gateway Center for Domestic Violence Services. The advocacy services provided by the navigators includes facilitation of restraining orders, danger assessments, safety planning and connection and referral to a variety of community services.

Financial and budgetary impacts:

This legislation maintains the annual allocation for navigator services at \$267,000.

Community impacts and community involvement:

The Gateway Center provides services to many communities of color. 4 of the 5 navigator grants are with culturally specific agencies. All services at the Gateway Center are inclusive and welcoming to members of the community.
