**Proposal:**

The applicant seeks Type III Design Review approval for exterior alterations to accompany a core and shell renovation and seismic upgrade of a five story building built in 1907 as the Fliedner Building. Exterior improvements include: storefront modifications at existing lobby and at new lobby, window replacement, stucco and terracotta repairs, paint, new exterior lighting, new skylight over existing light well and new penthouses at the stairs and elevator along with a new rooftop amenity space. The renovated building will feature office use on floors 2-5, and ground floor commercial use, as well as some additional commercial in the basement.

Design review is required because the proposal is for exterior alterations in the Central City Plan District.

**Relevant Approval Criteria:**

In order to be approved, this proposal must comply with the approval criteria of Title 33, Portland Zoning Code. The applicable approval criteria are:

- Central City Fundamental Design Guidelines

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on June 1, 2017 and determined to be complete on 6/15/2017.

**DECISION MAKING PROCESS**

On the left side of the page use the search box to find Development Services, then click on the Zoning/Land Use section select Notices and Hearings. Please call the Request Line at our office, 1900 SW Fourth Avenue, Suite 5000, phone 503-823-7617, to schedule an appointment. I can provide some information over the phone. Additional information about the City of Portland, city bureaus, and a digital copy of the Portland Zoning Code is available on the internet at <http://www.portlandonline.com/auditor/index.cfm?c=28197>.

The neighborhood association, listed on the first page of this notice, may take a position on this application and may have scheduled an open meeting prior to making their recommendation to the Bureau of Development Services. Please contact the person listed as the neighborhood contact to determine the time and date of this meeting.

To comment, you may write to the Bureau of Development Services, 1900 SW Fourth Ave., Suite 5000 or FAX your comments to 503-823-5630; or you may testify at the hearing. In your comments, you should address the approval criteria. The Hearings Officer does not accept comments via e-mail. Please refer to the file number when seeking information or submitting testimony. Written comments must be received by the end of the hearing. The applicant and Planning staff will be at the hearing to answer questions and respond to comments. The general

order of appearance for oral testimony at the hearing is as follows: Bureau of Development Services staff report, applicant testimony, testimony of interested parties who wish to ask questions or testify, staff response and closing comments, and applicant's closing comments. Design Commission will make a decision about this proposal at the hearing or will grant a continuance.

The applicant and proponents have the burden of proof to show that each and every element of the approval criteria are satisfied. In order to prevail, the opponents must persuade the Design Commission to find that the applicant has not carried the burden of proof with regard to one or more of the approval criteria. The opponents may also explain to the Design Commission how or why the facts asserted by the applicant are not supported by evidence in the record. Opponents may wish to recommend conditions of approval which will make the proposal more acceptable, if approved.

Prior to the conclusion of the hearing before the Design Commission, any participant may request an opportunity to present additional evidence or testimony regarding the application. If such a request is made, the record will be held open for seven days to receive the new evidence and the record shall be held open for at least an additional seven days to provide the other parties an opportunity to respond to that new evidence.

ORS 227.178 states the City must issue a final decision on Land Use Review applications within 120-days of the application being deemed complete. The 120-day review period may be extended at the request of the applicant.

#### **APPEAL PROCESS**

You can appeal the decision of the Design Commission to the City Council. If appealed, City Council will hold an evidentiary hearing. New evidence can be submitted to the City Council in the event of an appeal of an evidentiary hearing

A fee is charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver. The City Council's decision may be appealed to the Oregon Land Use Board of Appeals (LUBA).

Failure to raise an issue in person or in writing by the close of the record at or following the final evidentiary hearing on this case may preclude an appeal to LUBA on that issue. Also, if you do not provide enough detailed information to the Design Commission, they may not be able to respond to the issue you are trying to raise. In such a situation an appeal to LUBA based on that issue may not be allowed.
