Purpose of proposed legislation and background information:

This appointment will fill one position on the Plumbing Code Board of Appeal as required by Portland City Code Title 25.

Financial and budgetary impacts:

The Board appointments are citizen-volunteer positions, so no revenue or expenses are incurred by these positions.

Community impacts and community involvement:

There has been active on-going recruitment for alternate members of the Plumbing Appeal Board. Current Board members notified their constituent groups of the vacant positions, and BDS included information about the vacancy in multiple issues of its *Plans Examiner* newsletter. The *Plans Examiner* is widely distributed electronically to BDS customers and stakeholders, as well as, neighborhood associations and community groups. A link to the Plans Examiner is available on the BDS website. An interested applicant files an application for membership with the Office of Neighborhood Involvement (ONI). Once ONI receives the applications and conflict of interest forms, it forwards those documents to Terry Whitehill in BDS for review.
