

Office of Mayor Ted Wheeler
City of Portland

July 12, 2017

As Mayor and Commissioner of Finance & Administration, I request Council confirmation of the following appointments to the Adjustment Committee.

<u>Appointments</u>	<u>Membership Category</u>	<u>1st Full Term</u>
Dan Zalkow (filling a vacant position)	Engineering, Land Development	July 12, 2017 through July 11, 2021
Leslie Hamilton (replacing Roger Alfred)	Public at Large	July 12, 2017 through July 11, 2021
Michael Gilliland (replacing Suzanne Zuniga)	Landscape Architecture	October 12, 2017 through October 11, 2021

Dan Zalkow has a breadth of experience in the area of land development, both from the land use and planning perspective, and from the building permit application process. He has worked with the current zoning code, and has been an applicant many times with the Bureau of Development Services. He has been before the Design Commission a number of times, so is familiar with what it takes to get through a hearing and the responsibilities of the Commission members. His enthusiasm for what he does and for improving the fabric of the City is evident in his volunteer roles on the PDC and Portland Streetcar boards.

Leslie Hamilton has an in-depth knowledge of applying and interpreting zoning regulations in multiple municipalities, and has the ability to communicate these both verbally and in writing to diverse audiences in a public hearing setting. She has worked extensively with neighborhood interests on large, sometimes controversial development proposals, and has demonstrated a skill in serving as a bridge between neighborhood activists, government officials and land use applicants.

Michael Gilliland has had years of experience working as a landscape architect, and applying that skill to real life projects in his role as a consultant. His work in landscape architecture will compliment the skills of the existing architect on the Committee, Whit Middlecoff. His work as a landscape architect in combination with his past role as a member and chair of the Wilsonville Design Review board will bring both technical knowledge as well as knowledge on how to consider development proposals in a public setting and make definitive decisions that address required approval criteria.

Respectfully submitted,

Ted Wheeler
Mayor
