

## ORDINANCE No. 188511

Authorize Intergovernmental Agreement with Sound Transit for cooperative procurement of modern streetcars.

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland (City) is the owner and operator of Portland Streetcar, a modern streetcar transit system.
2. The City, in partnership with TriMet and Portland Streetcar, Inc. has identified the need to acquire additional streetcars to support an aging system and growing ridership.
3. There are a limited number of suppliers of modern streetcars which produce vehicles in accordance with the specifications of the Portland system.
4. Partnering with another streetcar system for procurement of vehicles, spare parts, and engineering reduces costs for all agencies through economies of scale.
5. Sound Transit operates a modern streetcar system in Tacoma, WA which shares all aspects of system design with Portland including vehicle length and width, propulsion, and mobility ramp design.
6. The Revised Code of Washington (RCW) 39.34, the Interlocal Cooperation Act, provides for interlocal cooperation between government agencies.
7. Sound Transit recently issued a request for proposals (RFP) for additional modern streetcars and included five (5) additional cars for Portland as "options" on the RFP.
8. The Sound Transit RFP was written and issued compliant with Federal Transit Administration guidance pertaining to procurement practices and Buy America provisions.
9. The attached intergovernmental agreement (IGA) authorizes the two systems to cooperate in procuring additional streetcars, should the City decide to pursue procurement through this option.
10. The attached IGA has been reviewed and approved by the City Attorney.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge is hereby authorized to enter in an intergovernmental agreement with Sound Transit for cooperative procurement of modern streetcars.
