- Since July 2014, Madden Fabrications has been the primary fabricator of Portland Loos. The City of Portland retains the trademark to the Portland Loo, and earns a royalty for every Loo that is sold. **Financial and budgetary impacts:**

- There is no financial impact, as this is simply a report to Council.

**Community impacts and community involvement:**

- Portland Loos play a prominent role in our parks and on our public rights of way. They are a safe, affordable, and efficient alternative to constructing traditional public restrooms.
- The City of Portland created the Portland Loo, and in 2014 contracted with Madden Fabrication to continue to receive a royalty for each sale.
