To: Postmaster General Brennan, President Trump, and Members of Congress:

We, the undersigned, urge you to defend at-the-door mail delivery.

Reject any rule, order or bill, such as HR 756, Sec. 202 which forces postal customers, business or residential, into "cluster boxes" or curbside delivery.

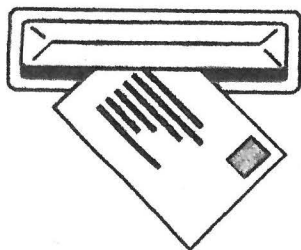

- * Loss of at-the-door mail delivery would hurt the frail, elderly and disabled.
- * Service to businesses would be greatly diminished and postal revenue lost.
- * Tens of thousands of living wage letter carrier jobs would be eliminated.

SAVE DOOR-TO-DOOR MAIL DELIVERY !

To: Postmaster General Brènnan, President Trump, and Members of Congress:

We, the undersigned, urge you to defend at-the-door mail delivery.

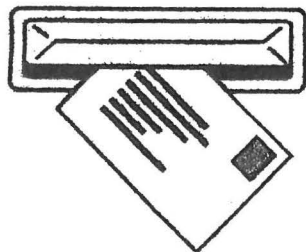

Reject any rule, order or bill, such as HR 756, Sec. 202 which forces postal customers, business or residential, into "cluster boxes" or curbside delivery.

- * Loss of at-the-door mail delivery would hurt the frail, elderly and disabled.
- * Service to businesses would be greatly diminished and postal revenue lost.
- * Tens of thousands of living wage letter carrier jobs would be eliminated.

We, the undersigned, urge you to defend at-the-door mail delivery.

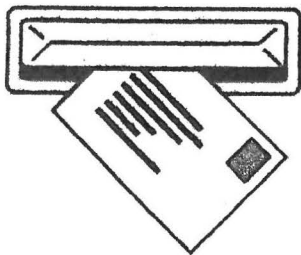

Reject any rule, order or bill, such as HR 756, Sec. 202 which forces postal customers, business or residential, into "cluster boxes" or curbside delivery.

- * Loss of at-the-door mail delivery would hurt the frail, elderly and disabled.
- * Service to businesses would be greatly diminished and postal revenue lost.
- * Tens of thousands of living wage letter carrier jobs would be eliminated.

SAVE DOOR-TO-DOOR MAIL DELIVERY !

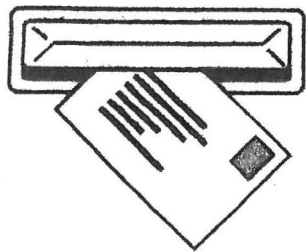

To: Postmaster General Brennan, President Trump, and Members of Congress:

We, the undersigned, urge you to defend at-the-door mail delivery.

Reject any rule, order or bill, such as HR 756, Sec. 202 which forces postal customers, business or residential, into "cluster boxes" or curbside delivery.

- * Loss of at-the-door mail delivery would hurt the frail, elderly and disabled.
- * Service to businesses would be greatly diminished and postal revenue lost.
- * Tens of thousands of living wage letter carrier jobs would be eliminated.

SAVE DOOR-TO-DOOR MAIL DELIVERY !

To: Postmaster General Brennan, President Obama, and Members of Congress:

We, the undersigned, urge you to defend at-the-door mail delivery.

- * Reject any rule, order or bill, such as HR 5714, Sec. 202 which forces postal customers, business or residential, into "cluster boxes" or curbside delivery.
- * Loss of at-the-door mail delivery hurts the frail, elderly and disabled.
- * Service to businesses would be greatly diminished.
- * Tens of thousands of living wage letter carrier jobs would be lost.
