

IMPACT STATEMENT

Legislation title: *Approve Contract with KPFF Engineering for Design of the Sullivan's Crossing Active Transportation Bridge in the amount of 2,315,359.00 (Ordinance)

Contact name: Dan Layden

Contact phone: 3-2804

Presenter name: Dan Layden

Purpose of proposed legislation and background information: Approve contract with KPFF Engineering to provide design and construction services for the Sullivan's Crossing project. The Sullivan's crossing project will construct a bicycle and pedestrian bridge across Interstate 84 to link the Central Eastside to the Lloyd District.

Financial and budgetary impacts: The project is budgeted using SDC revenue

Community impacts and community involvement: The project design will include an extensive community involvement effort. The project has received strong support from Go Lloyd and other are stakeholders.
