

IMPACT STATEMENT

Legislation title: *Create a new Nonrepresented classification of Auditor's Senior Staff Representative, which is exempt from the Auditor's functional equivalent of the City's classified service, and establish a compensation range (Ordinance).

Contact name: Sarah Landis, Chief Deputy Auditor

Contact phone: 503-823-4567

Presenter name: Sarah Landis

Purpose of proposed legislation and background information:

The Auditor requested funding for a Senior Staff Attorney, and Council provided it in the FY2017-18 budget. This ordinance creates the job classification that will be used at least temporarily for the position and establishes the pay grade.

Financial and budgetary impacts:

The pay range for the position is \$95,000 - \$147,000 annually.

Community impacts and community involvement:

In May 2017, voters approved Charter amendments that authorized the City Auditor to obtain legal advice independent of the City Attorney's Office. There was substantial community involvement and a number of public meetings related to the drafting of the Charter amendment and the eventual decision by Council to refer it to the ballot.
