**Subject:** TSP 3: Transit Priority

Chair Schultz and Commissioners:

I support the position of the Portland Bus Lane Project, to change language in the TSP in several places, to "Prioritize" transit over Single-occupancy vehicles, and over on-street parking. If the city is to achieve it's Transit Mode Share goal, this policy of prioritization, not merely "consideration", is necessary.

Thank you.

A handwritten signature in black ink that reads "Doug Klotz". The signature is written in a cursive style with a large, stylized 'D' and 'K'.
