Route/Road/ Street Name / Interstate 84
Multnomah County /

Terrel A. Anderson
Manager, Industry & Public Projects
Union Pacific Railroad Company
1 So. Pyramid Way
Sparks NV, 89431

Dear Mr. Anderson,

Plans are being prepared to construct a bicycle and pedestrian bridge at the location referenced above. The proposed work includes construction of an overcrossing of existing trackway. In connection with the project, the Agency considers it necessary for the successful advancement of the project for your company to collaborate in the development of the project by performing the following:

- preliminary engineering and other related services
- development of cost estimates
- review of the project's preliminary layouts
- submit current train and switching moves

The Agency authorizes and agrees to reimburse the Railroad for its expenses and actual costs that are incurred for collaborating in the development of the project's preliminary engineering and other preliminary activities. The Railroad has estimated that these preliminary engineering and other preliminary costs will be \$25,000. Payment will be made within thirty (30) days from the Agency's receipt and approval of the Railroad's request for reimbursement. Railroad will refer to Agency's Project Number (T00638) and forward Invoices to Dan Layden.

The concept plans for your approval will be forwarded to you at a later date.

Please verify the number of current regular train (X) and switching movements (X) with a Maximum Speed

The Portland Bureau of Transportation fully complies with Title VI of the Civil Rights Act of 1964, the ADA Title II, and related statutes and regulations in all programs and activities. of (XX) at this location as currently shown in our inventory records. This information will be used by the Agency's Contractor to obtain Railroad Protective Liability Insurance.

This agreement is intended to address Preliminary Engineering. It is understood by both parties that railroad may withhold its approval for any reason directly or indirectly related to safety or its operations, property issues or effect to its facilities. If the Project is approved, Union Pacific will continue to work with the Agency to develop Final Plans, Specifications and prepare Material and Cost Estimates for Railroad Construction Work associated with the project. It is also understood that if the project is constructed, if at all, at no cost to the railroad.

The Agency and the Railroad will enter into separate License, Right of Entry, Construction and Maintenance Agreements associated with the actual construction of the project if the project is accepted and approved by the railroad. The Agreements will be drafted by Union Pacific and forwarded to the Agency after the **Exhibit A** and cost estimates have been approved.

This agreement shall become effective upon date of last signature & will terminate 12 months from said effective signature date.

Please contact Dan Layden at telephone number (503) 823-2804 via email at dan.layden@portlandoregon.gov if you have any questions. Your assistance in this matter is appreciated.

Sincerely,

Leah Treat
