Presenter name: Randi Selleck

Purpose of proposed legislation and background information:

This project will restore and upgrade restrooms in the 1900 Building with sustainable features, and will address ADA transition plan items, for improved access. Amendment is to provide design documents for (3) new janitor closets including janitor sinks in the 1900 building. The building currently is without any janitor/utility sinks; existing janitor storage closets on each floor are being reallocated to gender neutral restrooms.

Financial and budgetary impacts:

This project is funded by the 1900 Building major maintenance account. Total project budget is \$1.7M. This amendment is covered by project contingency within the \$1.7M.

Community impacts and community involvement:

None.

100% Renewable Goal:

Not applicable.
