

Discussion Items and Proposed Amendments to the Map Refinement Project Proposed Draft

This list contains discussion items and amendments proposed by the Planning and Sustainability Commission (PSC). BPS staff have also recommended some amendments based on public testimony and discussions with other bureaus.

Amendments are organized by page number, if applicable, within the Map Refinement Project Proposed Draft for each map change category: A) PSC identified sites for further refinement; B) Reconciliation of Bureau of Development Services (BDS) land use reviews between January 2013 and August 2017; C) Reconciliation of nonconforming development, as appropriate, coordinated and/or reviewed by BDS between January 2013 and August 2017; D) Technical and Policy Priority; and E) Errata.

Note to Commissioners: Under the “Discuss” column, a check mark indicates items PSC members have identified for discussion or for which staff recommends discussion. Please let us know before or during PSC proceedings if there are additional items you wish to discuss. Other items will be considered consent unless Commissioners specifically ask to discuss them.

A. PSC IDENTIFIED SITES FOR FURTHER REFINEMENT

1	Brian Dapp, Barry Smith, Homestead NA	PSC Identified Sites for Further Refinement	Marquam Hill Commercial Node Homestead Comp Plan: Mixed Use Dispersed to Mixed Use Neighborhood and High Density Residential Zoning: CM1 to CM2, RH	No amendment proposed.	Staff supports the Proposed Draft map changes in conjunction with the related code changes recommended in the Code Reconciliation Project.	<input type="checkbox"/>
2	Trinity Episcopal Cathedral	PSC Identified Sites for Further Refinement	147 W/ NW 19TH AVE (R140878) Northwest District Comp Plan: High Density Residential to Mixed Use Urban Center (MU-U) Zoning: RH to CM3d	Applying the CM3 zone would allow redevelopment of a half-block surface parking lot into a commercial mixed-use building in an urban center. Staff notes that the Design “d” overlay zone is paired with the requested CM3 zone within the Mixed Use – Urban Center designation.	Support. Trinity also suggested the idea that a master plan be required through the regulations in the NW Plan District for Trinity’s campus. Staff recommends further exploration of any code changes necessary to require a master plan for this site as well as further conversations with the NW District Association to examine the benefits of application of this provision.	<input checked="" type="checkbox"/>

3	Daryl Garner	PSC Identified Sites for Further Refinement	4306-4308 N GANTENBEIN AVE (R130855, R680753, R680752) Humboldt Neighborhood Comp Plan: Single-Dwelling 2,500 to Multi-Dwelling 1,000 Zoning: R2.5a to R1a	Applying the R1 zone would allow re-development of a 37,000-sq. ft. vacant property to a higher density and wider range of housing types than the existing single-dwelling zone.	Support. BPS staff did not support the initial request of CM2 zoning for two reasons: 1) Skidmore is not a commercial corridor and there is adequate mixed-use zoning along the N Vancouver and N Williams corridors; and 2) this property owner is not currently involved with the Portland Housing Bureau for a potential affordable housing project at this site.	<input checked="" type="checkbox"/>
4	Community Development Partners	PSC Identified Sites for Further Refinement	126 W/ NE ALBERTA ST (R298093) King Neighborhood Comp Plan: Single-Dwelling 2,500 to Multi-Dwelling 1,000 Zoning: R2.5a to R1a	Applying the R1 zone would allow re-development of a 9,600-sq. ft. surface parking lot to a higher density and wider range of housing types than the existing single-dwelling zone.	Support. BPS staff did not support the initial request of CM2 zoning for two-reasons: 1) Alberta is not a commercial corridor at this location; there is mixed use zoning at the node at N Alberta St, between N Vancouver and N Williams avenues, and along the NE Martin Luther King, Jr. corridor two blocks to the east; and 2) this organization is not currently involved with the Portland Housing Bureau about a potential affordable housing project at this site.	<input checked="" type="checkbox"/>

Support. BPS also recommends a map change from CEEd to CM2d for the commercial mixed-use area along the north and south sides of NE Sandy Blvd, between NE 47 th Ave and NE 51 st Ave to acknowledge the transition to a more pedestrian-oriented environment.	<input checked="" type="checkbox"/>

10	BPS (Oct 12 staff memo)	NONCONFORMING DEVELOPMENT p. 15	5350 SE 18TH AVE, 1731 SE INSLEY ST Sellwood-Moreland Neighborhood Comp Plan: Single-Dwelling 2,500 to Multi-Dwelling 1,000 Zoning: R2.5a to R1d	Applying the R1 zone will reconcile the following BDS activity: #14-245947 CO – Construct three-story apartment building, 18-units, six per floor.	Support. BPS also recommends including 1731 SE Insley St into the R1d map change proposal to avoid a spot zone. Additionally, 5236 SE 18th Ave, has contacted the Sellwood-Moreland Improvement League (SMILE) per the Neighborhood Contact Requirements for a proposed development of 18-units. This area north of SE Insley St, between mid-block of SE 17th Ave to SE 19th Avenue, could be discussed by the PSC for a map change from R2.5ad to R1d. The existing zoning is RHd.	<input checked="" type="checkbox"/>
11	SMILE, Steve Szigethy	NONCONFORMING DEVELOPMENT p. 15, #1658	5301-5313 SE 19TH AVE Sellwood-Moreland Neighborhood Comp Plan: Single-Dwelling 2,500 to Multi-Dwelling – 1,000 Zoning: R2.5a to R1d	Modifying Map Change #1658 for this property in the Proposed Draft from RHd to R1d more accurately address that there is no BDS activity for this site and acknowledge the existing density. While this property was included in a larger group of properties retaining the RHd zone pre-adoption of 2035 Comprehensive Plan, this property does not meet the nonconforming development category as it has no associated early assistance, building permit and/or land use review. This property is also nonconforming to the adopted R2.5a zone as it is currently developed with a duplex and triplex structures.	Support. Staff further supports recommendations to the Code Reconciliation Project, amending Map 120-18 RH Areas with Maximum FAR of 4:1 as follows: <ul style="list-style-type: none"> Delete the property 5301-5313 SE 19TH AVE from the map. 	<input checked="" type="checkbox"/>

D. TECHNICAL AND POLICY PRIORITY

12	Multiple testifiers, BPS	TECHNICAL AND POLICY PRIORITY p. 17	815 N FREMONT ST, 705 N FREMONT ST Boise Neighborhood Comp Plan: No change Zoning: CM2ad to CM3d for 815 N Fremont St; CM2ad to CM2d for 705 N Fremont St	Applying the CM3d zone increases development options for this site, adjacent to CM3 zoning to the west and south. The mixed-use zoning will require setbacks and step-downs in height to the adjacent R2-zoned property. Staff notes that the Design “d” overlay zone is paired with the requested CM3 zone within the Mixed Use – Urban Center designation.	Staff supports the requested change to CM3d for 815 N Fremont St, and retaining the existing CM2d zoning while removing the “a” overlay for 705 N Fremont St. The adjacent lots to the west and to the south have adopted zoning of CM3. Fremont is slated to be upgraded to a Neighborhood Collector. Staff recommends the proposed CM3d zoning as currently included in the Proposed Draft as Map Change #1799.	<input checked="" type="checkbox"/>
13	BPS (October 12, 2017 staff memo)	TECHNICAL AND POLICY PRIORITY p. 17	1460 SE 16TH AVE Buckman Neighborhood Comp Plan: Multi-Dwelling 1,000 and High Density Residential to High Density Residential Zoning: R1, RH to RH	Applying the RH zone would rectify the split-zoned nature of the property and nonconforming development, a 71-unit, elderly and disabled housing complex (six-stories). This property is owned by Northwest Housing Alternatives, an affordable housing provider.	Support.	<input type="checkbox"/>
14	BPS (October 12, 2017 staff memo)	TECHNICAL AND POLICY PRIORITY p. 17	8706 N BRADFORD ST Cathedral Park Neighborhood Comp Plan: No change Zoning: Remove the Greenway River Industrial “i” overlay zone, add the Greenway River Recreational “r” and Greenway River Water Quality “q” overlay zones and add the St Johns Plan District	Property changed from IHi to OS in the 2035 Comprehensive Plan. This property is owned by Portland Parks & Recreation. This map change is both a bureau coordinated effort and a cleanup of the overlay and Plan District mapping. The transition from the “i” overlay to the “r”, “q” and St Johns Plan District represent property transitioning from industrial to open space.	Support	<input type="checkbox"/>

Portland Housing Bureau (PHB) owns the property, and while has no plans for redevelopment in the near term, is requesting the CM3 zone. Currently, Quad, Inc. has a lease till 2030. Staff notes that the Design “d” overlay zone is paired with the requested CM3 zone within the Mixed Use – Urban Center designation.	Support.	<input type="checkbox"/>
19	BPS (October 12, 2017 staff memo)	TECHNICAL AND POLICY PRIORITY p. 17	2858 N WILLIAMS AVE Eliot Neighborhood Comp Plan: Multi-dwelling 1,000 to Mixed Use – Urban Center Zoning: R1 to CM2d	Applying the CM2d zone acknowledges the commercial building and use on this property since the 1970s.	Support.	<input type="checkbox"/>
20	BPS	TECHNICAL AND POLICY PRIORITY p. 17	8012-8036 SE RAYMOND ST Foster-Powell Neighborhood Comp Plan: Multi-Dwelling 2,000 to Multi-Dwelling 1,000 Zoning: R2a to R1a	Applying the R1 zone will acknowledge the nonconforming residential development owned by ROSE Community Development, an affordable housing provider. The site contains 19 units. The existing R2a zone would allow a range of 11 to 13-units. Inclusion in the Map Refinement Project would resolve the nonconforming development status. This property is adjacent to R1a zoning to the west, CE zoning to the east and CM3 zoning to the south.	Support.	<input type="checkbox"/>

21	Cascadia Behavioral Healthcare, Inc.	TECHNICAL AND POLICY PRIORITY p. 17	10010 SE ANKENY ST, 10060 SE ANKENY ST Hazelwood Neighborhood Comp Plan: No change Zoning: No change	Applying the EXd or CM3d will allow the following development proposal: 1) a mixed-use building with a clinic and four or five-stories with 59-74 units of affordable housing; and 2) a four-story affordable housing apartment building with 50-units that would also be mixed use in nature. Cascadia Behavioral Healthcare, Inc. has an executed Purchase and Sales Agreement for the property.	Staff does not support. Following the 2035 Comprehensive Plan employment goals and policies, BPS changed the zoning from EX to EG1 to meet employment land supply needs and to increase opportunities for living wage jobs in East Portland. Nonprofit organizations will not increase the tax base, which could undercut the tax increment financing for the Gateway Urban Renewal District. There are other sites, zoned residential and commercial mixed-use in the larger Gateway District that could be available.	<input checked="" type="checkbox"/>

45	BPS	TECHNICAL AND POLICY PRIORITY p. 17	UNION PACIFIC RAILROAD COMPANY (R490234) St Johns Neighborhood Comp Plan: Zoning: RF to IG2	Applying the IG2 zone allows potential expansion of the Barnes Yard railroad line. The parcel is owned by Union Pacific and part of the Barnes Yard site. The surrounding parcels owned by Metro (St Johns Landfill and Smith & Bybee Lakes) were changed from RF to OS in the new comp plan, but this remnant RF parcel was left out. All but a small corner of the parcel is in the p-zone and undevelopable, but that corner could inadvertently complicate potential track expansion that follows straight lines. Barnes Yard is one of the few rail yards in Portland where expansion has been proposed. Like the adjacent Metro property, there is no housing or agriculture on the parcel so RF does not fit.
