COMMUNITY OF WORKERS  
SUPPORT THE CBA!!!

Mr. Wheeler

My family and myself are not in favor of the CEIP plan. You have had great successes with the last two pilot CBA Agreements and you want to go back to the drawing board. Step up and do the right thing. You have the opportunity of creating positive change for the greater good. Know that ~~by~~ signing the CEIP you are only eroding the standards and protection set by unions. Spoken from a minority that benefits from a CBA agreement.

I would like to petition the  
mayor to continue the CBA  
~~or~~ to create more chances for  
good employment for our city's  
citizen. How we care for  
those with less chances is a  
true mark of success for a city.

Thank you,

Sir I talked to you  
last winter at the  
NAMC Holiday  
Banquet. All those  
minorities would  
greatly benefit  
the CBA becoming  
policy. The Pilots  
were a huge success

Sincerely
