

ORDINANCE No.

188663

Authorize a contract with lowest responsible bidder for the SE 50th Ave from SE Division St to SE Hawthorne Blvd street improvement project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. On May 17th, 2016, Portland voters passed Measure 26-173, Portland's first local funding source dedicated to fixing our streets. Measure 26-173 will raise an estimated \$64 million over four years. This is the Portland Bureau of Transportation (PBOT) Fix Our Street Program.
2. As part of Fix Our Streets program, PBOT will be constructing pavement maintenance work on SE 50th Avenue from SE Division St. to SE Hawthorne Boulevard. Work will include updating and/or installing ADA ramps to meet current ADA guidelines and new marked pedestrian crossing.
3. The pavement condition on SE 50th Avenue has deteriorated to a point at which a 3 inch grind and overlay is now required.
4. Grinding and paving 3 inches at this time meets PBOT's Pavement Management strategy of performing pavement maintenance early in the lifecycle to prevent much higher rehabilitation costs in the future.
5. The Bureau's level of confidence in the cost estimates for this project is moderate, as the project scope is clearly understood and well defined.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is authorized to negotiate and execute a contract, provided the contract has been approved as to form by the City Attorney's office.
- b. The Auditor to draw and deliver warrants chargeable to PBOT T00590 when demand is presented and approved by the proper authority.
