

2018

NOW THEREFORE, the Council directs:

- a. Section 2 of Ordinance No. 187832 is amended so that directives "b" through "h" become effective on ~~May 23, 2018~~ May 24, 2018, at 1pm.
- b. Section 2 of Ordinance No. 188177 is amended so that directives d, e, f, g, h and j become effective on ~~May 23, 2018~~ May 24, at 1pm.
- c. Should the City's Task IV or V periodic review submittals become acknowledged before ~~May 23, 2018~~ May 24, 2018, at 1pm, the Bureau of Planning and Sustainability may prepare an ordinance for the City Council's consideration advancing the effective dates delayed by this ordinance.

Section 2. The Council declares that an emergency exists because having land use plans and regulations come into effect before they are acknowledged would add complexity and uncertainty to the City's development review system; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
