

ORDINANCE No. 188810

*Amend contract with CSDC, Inc., in the amount of \$2,331,589 for implementation, hosting and maintenance of the upgraded AMANDA computerized permit tracking system for Bureau of Development Services (Ordinance; amend Contract No. 30005953)

The City of Portland ordains:

Section 1. The Council finds:

1. On March 18, 2009, the City Council passed Ordinance No. 182607 authorizing Contract 31000013 with CSDC Systems, Inc. for maintenance and technical support services for the AMANDA permitting and case management system.
2. On July 30, 2014, the City Council passed Ordinance No. 186735 extending Contract 31000013 for three years, and two additional option years.
3. On December 30, 2016, Contract 31000013 was renumbered as 30005953 following the acquisition of CSDC Systems, Inc. by CSDC, Inc.
4. As part of the Portland Online Permitting System (POPS) project to update the City's legacy AMANDA software, the City requires that the value of Contract 30005953 be increased by \$2,331,589.00 to cover the implementation, hosting and maintenance of the initial phase of the AMANDA upgrade.

NOW, THEREFORE, the Council directs:

- a. The Chief Procurement Officer is authorized to amend Contract 30005953 to increase its not-to-exceed value by \$2,331,589.00, provided the amendment has been approved as to form by the City Attorney's Office.

Section 2. The Council declares that an emergency exists because a delay in proceeding with the amendment will hamper the City's ability to proceed with the POPS project as planned and prohibit designating payment to CSDC, Inc. in a timely manner; therefore, this Ordinance shall be in full force and effect from and after its passage by Council.

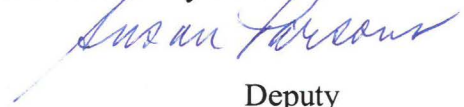

FEB 07 2018

Passed by the Council:

Commissioner Chloe Eudaly and Mayor Ted Wheeler
