

ORDINANCE No. 188828

*Authorize an Intergovernmental Agreement with Oregon Department of Transportation for the right-of-way services of the NE Columbia Blvd: Cully Blvd & Alderwood Rd project. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Port of Portland applied for a grant for the design, right of way and construction of the NE Columbia Blvd: Cully Blvd & Alderwood Rd project. The project has been awarded \$4,538,856 in Multimodal Transportation Enhance Program (MTEP).
2. The Port of Portland and the City of Portland also entered into a separate agreement where the Port of Portland authorized the City of Portland to administer the project for the Port. (City contract No. 30005593).
3. The project will reconstruct the NE Columbia Blvd/Alderwood Road intersection and provide signalization to the intersection. Construct an exclusive right-turn lane on Alderwood Rd south bound. Construct a multiuse path on north side of Columbia Blvd between Cully Blvd and Alderwood Rd and continue with multiuse path on west side of Alderwood Rd to project limits. Acquire right-of-way from the Coldwood golf course as well as the property south of Columbia Blvd between Cully Blvd and Alderwood.
4. This IGA will authorize the City of Portland Bureau of Transportation to acquire right-of-way for this project as a certification project using federal funds.
5. The Bureau's level of confidence in the cost estimates for this project is moderate since the project is as the early stages of project development phase.

NOW, THEREFORE, the Council directs:

- a. The Commissioner-in-Charge is hereby authorized to accept on behalf of the City of Portland a grant from the Oregon Department of Transportation for the NE Columbia Blvd: Cully Blvd & Alderwood Rd project and to execute an Intergovernmental agreement in a form similar to the contract attached as Exhibit A.
- b. The Commissioner-in-Charge is authorized to execute amendments, approved as to form by the City Attorney, to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase the City's financial risk. Increases to the grant amount must be approved by the City Council.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the contract; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
