

***To steal a line from Shakespeare: "Hell is empty and all the devils are here."***

***We, many of the people of Portland now come before you to indict your actions as follows:***

- 1. You have and continue to steal from the poor and give to the rich.***
- 2. You call for donations of bedrolls, blankets, etc and yet use your police and subcontractors to steal these and other items from the homeless/houseless during your ordered sweeps.***
- 3. Warming stations are totally inadequate to sustain life, not enough and not open until humans are freezing to death. 25 degrees or below.***
- 4. The waste of tens of millions of dollars of tax payer money year in year out with no sufficient reduction in homelessness/houselessness. Charge of waste of government funds.***
- 5. When faced with decisions to open up our local government you consistently refused like you did with the police shooting report last week. Shame on our republican mayor.***
- 6. Putting out signs that say the sidewalk must be kept clear and there will be no sitting or resting. Shame on our republican council. Violation of the first amendment.***
- 7. Holding BS sessions over and over and lying about transparency. Shame on our republican millionaire majority on the council. You have no transparency.***
- 8. You raided and shut down a self sufficient village with no consultation with the non-profit who helped set it up. You are charged with Hypocrisy of the worst kind. Violation of the Geneva Accords on humanity.***
