

ORDINANCE No. 188845

*Authorize a grant agreement with the Coalition of Communities of Color in an amount not to exceed \$35,000 to support the Data About Us by Us—Community Track Hate project. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Coalition of Communities of Color (CCC) is an alliance of 18 culturally-specific community based organizations with representation from African, African American, Asian, Latino, Native American, Pacific Islander, and Slavic communities.
2. The CCC's mission is to address the socioeconomic disparities, institutional racism, and inequity of services experienced by their families, children, and communities; and to organize their communities for collective action resulting in social change to obtain self-determination, wellness, justice and prosperity.
3. The CCC supports a collective racial justice effort to improve outcomes for communities of color through policy analysis and advocacy, culturally-appropriate data and research, and leadership development in communities of color.
4. Communities are experiencing hate motivated violence in a variety of ways and there is a need for documentation process that enables people who are most impacted to be able to track hate incidents in a trusted manner.
5. The FY2017-18 budget includes funding in the General Fund Special Appropriations for the above grant. The City now desires to make a grant to Coalition of Communities of Color in an amount not to exceed \$35,000.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to enter into a grant agreement with the Coalition of Communities of Color as outlined in a form substantially in accordance with the agreement attached as Exhibit A, at a cost not to exceed \$35,000.
- b. The Mayor and Auditor are hereby authorized to draw and deliver payment chargeable to the Fiscal Year 2017-18 Budget.

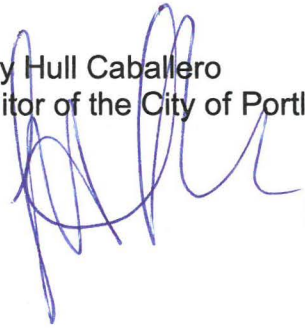

Section 2. The Council declares that an emergency exists because a delay in funding will affect the Coalition of Communities of Color ability to provide the necessary research data analysis to communities to track hate incidents; therefore, this ordinance shall be in full force and effect from and after its passage by Council.
