STATEMENT OF THE WORK AND PAYMENT SCHEDULE

SCOPE OF WORK

TASK ORDERS

Work performed under this Price Agreement must be authorized via a written Task Order (sample attached as Exhibit A) signed by the City and the Consultant. The scope of work, schedule, deliverables, and compensation for each project will be defined in the Task Order prior to commencement of the work. Any change to the scope of work, schedule, deliverables, and compensation must be agreed upon by the City and the Consultant in writing as an amendment to the Task Order.

The Bureau Director and the Chief Procurement Officer shall approve Task Orders and Task Order amendments in the following scenarios: 1) When amending the Task Order to increase compensation is greater than 25% of the original Task Order amount or 2) When a Task Order exceeds \$75,000.

Compensation for each Task Order will be determined through negotiation with the Consultant based on the scope of work, the hours the Consultant estimates for performance of the work and the Consultant's hourly rates, subject to a predetermined cap for the maximum compensation for the particular Task Order. If the work requires fewer hours than those estimated, the Consultant will be paid for the actual hours necessary to complete the Task Order. If the Consultant underestimates the number of hours that are required to perform the work, the negotiated maximum compensation for the Task Order shall be the cap of the compensation to be paid. Compensation may be amended for documentable circumstances not reasonably foreseeable to either party at the time the Task Order was issued, or for changes to the scope of work or deliverables requested by the City.

The Consultant must be able to start the work per the Task Order no later than seven (7) calendar days from the date of the Notice to Proceed as projects often require work with short deadlines. If the Consultant is unable or unwilling to complete the project within the required time, it shall so state in writing to the City's Project Manager and shall forfeit the Task Order within 24 hours of being notified.

Task Orders will be negotiated on a rotational basis. In the event the City and a Consultant cannot reach a favorable agreement on the maximum compensation for a specific Task Order, the City shall terminate negotiations and commence negotiations with the next Consultant from the rotational list. Continual difficulties in negotiating compensation caps or repeated unavailability or inability to perform Task Orders may result in removal of a Consultant from the rotation list and cancellation of the Consultant's Price Agreement with the City.

In the event that the Price Agreement maximum amount is reached prior to the end of the Price Agreement term, that Consultant will be removed from the on-call rotation list.

Following the execution of each Task Order, the City's Project Manager will work directly with the Consultant for the duration of the project unless otherwise noted on the Task Order.

CONSULTANT PERSONNEL

The Consultant shall assign the following personnel to do the work in the capacities designated:

NAME	ROLE ON PROJECT
TBD	

SUBCONSULTANTS

The Consultant shall assign the following subconsultants to perform work in the capacities designated:

NAME	DMWESB CERTIFICATION TYPE	ROLE ON PROJECT	SUBCONTRACT AMOUNT
None			\$

The City will enforce all social equity contracting and Disadvantaged, Minority, Women and Emerging Small Business (D/M/W/ESB) subcontracting commitments submitted by the Consultant in its Proposal. For contracts valued \$50,000 or more, the Consultant shall submit a Monthly Subconsultant Payment and Utilization Report (MUR), made part of this Price Agreement by reference, reporting ALL subconsultants employed in the performance of this agreement. Contact the PTE Contract Compliance Specialist for submission guidelines.

COMPENSATION

The maximum that the Consultant can be paid on this Price Agreement is \$2,500,000 (hereafter the "not to exceed" amount.). The "not to exceed" amount includes all payments to be made pursuant to this Price Agreement, including reimbursable expenses, if any. Nothing in this Price Agreement requires the City to pay for work that does not meet the Standard of Care or other requirements of the Price Agreement. The actual amount to be paid Consultant may be less than that amount.

The Consultant is entitled to receive progress payments for its work pursuant to the Price Agreement as provided in more detail below. The City will pay Consultant based on these invoices for acceptable work performed and approved until the "not to exceed" amount is reached. Thereafter, Consultant must complete work based on the Price Agreement without additional compensation unless there is a change to the scope of work.

Any estimate of the hours necessary to perform the work is not binding on the City. The Consultant remains responsible if the estimate proves to be incorrect. Exceeding the number of estimated hours of work does not impose any liability on the City for additional payment.

If work is completed before the "not to exceed" amount is reached, the Consultant's compensation will be based on the Consultant's bills previously submitted for acceptable work performed and approved.

PAYMENT TERMS: Net 30 Days

Hourly Rates

The billing rates shall not exceed those set forth below:

Standard Reimbursable Costs

The following costs will be reimbursed without mark-up:

- **
- **

Subconsultant Costs

Compensation for subconsultants shall be limited to the same restrictions imposed on the Consultant. The maximum markup on subconsultant services shall not exceed %.

Adjustment of Labor Rates Due to Inflation

Annual adjustment of hourly rates will be considered upon written request from the Consultant. Approval of a request for rate increases is solely within the City's discretion and under no circumstances is the City obligated to approve such a request.

Rate increases are subject to the following limitations:

- No increases will be granted before the one-year anniversary of the Price Agreement;
- No more than one increase shall be granted per Price Agreement year;
- Rate increases may not exceed the then-current average inflation rate for the Portland Metropolitan Area (as determined from the US Department of Labor statistics);
- Rate increases shall not be retroactive.

Other than the impact of inflation as described above, hourly rates may not be increased.

Progress Payments

On or before the 15th of each month, the Consultant shall submit to: PBOTContracts@portlandoregon.gov an electronic copy(pdf only) invoice for work performed by the Consultant during the preceding month. The invoice shall be on the prime contractors business letterhead and contain the City's Contract Number/Purchase Order and any Task Order number, as applicable, the PBOT Project Managers name, and set out all items for payment including, but not limited to: invoice number, period services were performed for, the name of the individual, labor category, direct labor rate, hours worked during the period, and tasks performed. The Consultant shall also attach photocopies of claimed reimbursable expenses, as applicable. A summary shall be provided per invoice showing, Current amount billed, past invoices billed but unpaid, invoices paid to reflect total amount billed as of invoice date against contract total. The Consultant shall stamp and approve all subconsultant invoices and note on the subconsultant invoice what they are approving as "billable" under the contract, if subconsultants were used under this contract. The billing from the prime should clearly roll up labor and reimbursable costs for the prime and subconsultants – matching the subconsultant invoices. Prior to initial billing, the Consultant shall develop a billing format for approval by the City.

The City shall pay all amounts to which no dispute exists within 30 calendar days of receipt of the invoice. Payment of any bill, however, does not preclude the City from later determining that an error in payment was made and from withholding the disputed sum from the next progress payment until the dispute is resolved.

The Consultant shall make full payment to its subconsultants within 10 business days following receipt of any payment made by the City to Consultant.

ACH Payments

It is the City's policy to pay its Consultant invoices via electronic funds transfers through the automated clearing house (ACH) network. To initiate payment of invoices, Consultants shall execute the City's standard ACH Vendor Payment Authorization Agreement.

Upon verification of the data provided, the Payment Authorization Agreement will authorize the City to deposit payment for services rendered directly into Consultant accounts with financial institutions. All payments shall be in United States currency.
