

ORDINANCE No. **188896**

*Revise residential solid waste and recycling collection rates and charges effective May 1, 2018 (Ordinance; amend Code Chapter 17.102)

The City of Portland Ordains:

Section 1. The Council finds:

1. Ordinance No. 164701, passed October 2, 1991, granted residential solid waste, recycling and yard debris collection franchises in the City of Portland to introduce service and implement standards and rates to encourage increased recovery of recyclable material from the waste stream.
2. Ordinance No. 185830, passed December 19, 2012, renewed the residential franchise system for a ten-year term.
3. As specified by Section 8 of the residential collection franchise, the Bureau of Planning and Sustainability's Solid Waste and Recycling Program conducted an annual rate review during the spring of 2018 to evaluate the cost of providing required service, based on actual data on costs and management operations.
4. The rate review shows that most rates will increase by \$2.55 primarily due to inflation, rising recycling processing costs and increased garbage tipping fees.
5. Bureau of Planning and Sustainability staff recommend that the Council approve the proposed amendments, to be effective May 1, 2018, to the residential rate schedule, as set forth in Exhibit A to this Ordinance.

NOW, THEREFORE, the Council directs:

- a. City Code Chapter 17.102 shall be amended by deleting the existing Figure 6, *Residential Solid Waste and Recycling Rates*, and replacing it with the new Figure 6 in Exhibit A.
- b. The rates identified in Exhibit A shall be effective on and after May 1, 2018.

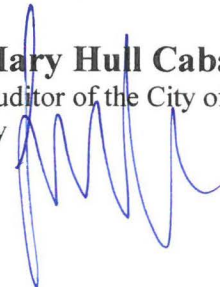

Section 2. The Council declares that an emergency exists so that the City can meet the May 1, 2018 effective date. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
