

GRANT AGREEMENT NO.

This Grant Agreement is between the CITY OF PORTLAND, OREGON (“CITY” or “GRANTOR”) and NEW AVENUES FOR YOUTH (or “GRANTEE”) in an amount not to exceed \$50,000, for their service industry training and placement program.

RECITALS:

1. New Avenues for Youth is a nonprofit organization dedicated to the prevention and intervention of youth homelessness. Since 1997, their programs and services have impacted more than 20,000 young people as they work to overcome barriers, pursue their goals, and realize their potential.
2. GRANTEE’s service industry training and placement program will positively impact communities of color and build capacity in historically underrepresented or underserved communities by: Expanding employment-related opportunities, focusing resources in East Portland where there are disproportionately higher numbers of racially and culturally diverse youth, providing youth who are experiencing homelessness or unsafely/unstably housed with support that includes mental health services, drug and alcohol counseling and housing support; as well as employment services.
3. GRANTEE’s mission is consistent with the Council’s desire for equity and inclusion and prosperous households.
4. GRANTEE submitted a grant application for the FY 2017-18 competitive special appropriations grants process and was selected as one of the twenty-six recommended to be awarded funding.
5. In accordance with the FY 2017-18 Budget, the City now desires to make a special appropriations grant to GRANTEE in an amount not to exceed \$50,000.

ARTICLE V -- GENERAL GRANT PROVISIONS

- A. Cause for Termination; Cure It shall be a material breach and cause for termination of this Agreement if GRANTEE uses grant funds outside of the scope of this Agreement, or if GRANTEE fails to comply with any other term or condition or to perform any obligations under this Agreement within thirty (30) days after written notice from CITY. If the breach is of such nature that it cannot be completely remedied within the thirty (30) day cure period, GRANTEE shall commence cure within the thirty (30) days, notify CITY of GRANTEE's steps for cure and estimated time table for full correction and compliance, proceed with diligence and good faith to correct any failure or noncompliance, and obtain written consent from CITY for a reasonable extension of the cure period.
- B. No Payment or Further Services Authorized During Cure Period. During the cure period, CITY is under no obligation to continue providing additional grant funds notwithstanding any payment schedule indicated in this Agreement. GRANTEE shall not perform services or take actions that would require CITY to pay additional grant funds to GRANTEE. GRANTEE shall not spend unused grant funds and such unused funds shall be deemed held in trust for CITY. GRANTEE shall be solely responsible for any expenses associated with cure of its noncompliance or failure to perform.
- C. Termination for Cause Termination for cause based on GRANTEE's misuse of grant funds shall be effective upon notice of termination. Termination for cause based on failure to comply or perform other obligations shall be effective at the end of the 30 day period unless a written extension of cure period is granted by CITY. GRANTEE shall return all grant funds that had not been expended as of the date of the termination notice. All finished or unfinished documents, data, studies, and reports prepared by GRANTEE under this Agreement shall, at the option of CITY, become the property of CITY; and GRANTEE may be entitled to receive just and equitable compensation for any satisfactory work completed on such documents up until the time of notice of termination, in a sum not to exceed the grant funds already expended.
- D. Penalty for Termination for Cause If this Agreement is terminated for cause, CITY, at its sole discretion, may seek repayment of any or all grant funds tendered under this Agreement, and decline to approve or award future grant funding requests to GRANTEE.
- E. Termination by Agreement or for Convenience of City. CITY and GRANTEE may terminate this Agreement at any time by mutual written agreement. Alternatively, CITY may, upon thirty (30) days written notice, terminate this agreement for any reason deemed appropriate in its sole discretion. If the Agreement is terminated as provided in this paragraph, GRANTEE shall return any grant funds that would have been used to provide services after the effective date of termination. Unless the Parties agree otherwise, GRANTEE shall finish any work and services covered by any grant funds already paid and shall not commence any new work or services which would require payment from any unused grant funds.
- F. Changes in Anticipated Services. If, for any reason, GRANTEE's anticipated services or actions are terminated, discontinued or interrupted, CITY's payment of grant funds may be terminated, suspended or reduced. GRANTEE shall immediately refund to CITY any unexpended grant funds received by

GRANTEE.

G. Amendment. The Grant Manager is authorized to execute amendments to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase CITY's financial risk. Increases to the grant amount must be approved by the City Council unless the City Council delegated authority to amend the grant amount in the ordinance authorizing this Agreement. Amendments to this Agreement, including any increase or decrease in the grant amount, must be in writing and executed by the authorized representatives of the Parties and approved to form by the City Attorney.

H. Non-discrimination; Civil Rights. In carrying out activities under this Agreement, GRANTEE shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. GRANTEE shall take actions to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. Actions shall include but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

GRANTEE shall post in conspicuous places, available to employees and applicants for employment, notices, which state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. GRANTEE shall incorporate the foregoing requirements of this section in all other agreements for work funded under this Agreement, except agreements governed by Section 104 of Executive Order 11246.

I. Audit. CITY, either directly or through a designated representative, may conduct financial or performance audit of the billings and services under this Agreement or GRANTEE records at any time in the course of this Agreement and during the ten (10) year period established above in Article III.B. As applicable, audits will be conducted in accordance with generally accepted auditing standards as promulgated in *Government Auditing Standards* by the Comptroller General of the United States General Accounting Office. If an audit discloses that payments to GRANTEE exceeded the amount to which GRANTEE was entitled, then GRANTEE shall repay the amount of the excess to CITY.

J. Indemnification. GRANTEE shall hold harmless, defend, and indemnify CITY, and its officers, agents and employees against all claims, demands, actions, and suits (including all costs) brought against any of them arising from actions or omissions of GRANTEE and/or its contractors in the performance of this Agreement.

K. Insurance. GRANTEE shall obtain and maintain in full force at its expense, throughout the duration of the Agreement and any extension periods, the required insurance identified below. CITY reserves the right to require additional insurance coverage as required by statutory or legal changes to the maximum liability that may be imposed on Oregon cities during the term of this Agreement.

1. Workers' Compensation Insurance. GRANTEE, its contractors and all employers working under this Agreement shall comply with ORS Chapter 656 and as it may be amended from time to time. Unless exempt

under ORS Chapter 656, GRANTEE, its contractors and any employers working under this Agreement shall maintain coverage for all subject workers for the duration of this Agreement.

In the event worker's compensation insurance coverage is due to expire during the term of this Agreement for any employers working under this agreement, GRANTEE agrees to require timely renewal of that insurance, either as a carrier-insured employer or a self-insured employer as provided by Chapter 656 of the Oregon Revised Statutes, before its expiration, and GRANTEE agrees to provide the CITY such further certification of worker's compensation insurance as renewals of said insurance occur.

2. Commercial General Liability Insurance: GRANTEE shall maintain commercial general liability and property damage insurance that protects GRANTEE and the CITY and its officers, agents, and employees from any and all claims, demands, actions, and suits for damage to property or personal injury, including death, arising from GRANTEE's work under this Grant Agreement. The insurance shall provide coverage for not less than \$2,000,000 per occurrence.
3. Automobile Liability Insurance: GRANTEE shall have automobile liability insurance with coverage of not less than \$2,000,000 each accident. The insurance shall include coverage for any auto or all owned, scheduled, hired and non-owned auto. This coverage may be combined with the commercial general liability insurance policy.
4. Additional Insured: The liability insurance coverages, except Professional Liability, Errors and Omissions, or Workers' Compensation where applicable, shall be without prejudice to coverage otherwise existing, and shall name the City of Portland and its bureaus/divisions, officers, agents and employees as Additional Insureds, with respect to the GRANTEE's or its contractor's activities to be performed or services to be provided. Grantee shall provide proof of additional insured coverage in the form of an additional insured endorsement form or a policy coverage document acceptable to City. Coverage shall be primary and non-contributory with any other insurance and self-insurance. Notwithstanding the naming of additional insureds, the insurance shall protect each additional insured in the same manner as though a separate policy had been issued to each, but nothing herein shall operate to increase the insurer's liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured.
5. Continuous Coverage; Notice of Cancellation: GRANTEE shall maintain continuous, uninterrupted coverage for the duration of the Agreement. There shall be no termination, cancelation, material change, potential exhaustion of aggregate limits, or non-renewal of coverage without thirty (30) days written notice from GRANTEE to CITY. If the insurance is canceled or terminated prior to termination of the Agreement, GRANTEE shall immediately notify CITY and provide a new policy with the same terms. Any failure to comply with this clause shall constitute a material

breach of the Agreement and shall be grounds for immediate termination of this Agreement.

6. Certificate(s) of Insurance: GRANTEE shall provide proof of insurance through acceptable certificates of insurance and a CG 2026 additional insured endorsement form (or an equivalent blanket additional insured form) to CITY on or before execution of the Agreement and prior to any commencement of work or delivery of goods or services under the Agreement or initial payment of grant funds. The certificate(s) will specify all the parties who are endorsed on the policy as Additional Insureds (or Loss Payees). Insurance coverages required under this Agreement shall be obtained from insurance companies acceptable to CITY. GRANTEE shall pay for all deductibles and premium from its non-grant funds. CITY reserves the right to require, at any time, complete and certified copies of the required insurance policies evidencing the coverage required. In lieu of filing the certificate of insurance required herein, if GRANTEE is a public body, GRANTEE may furnish a declaration that GRANTEE is self-insured for public liability and property damage for a minimum of the amounts set forth in the Oregon Tort Claims Act (ORS 30.260 to 30.300).

- L. Grantee's Contractor; Non-Assignment. If GRANTEE utilizes contractors to complete its work under this Agreement, in whole or in part, GRANTEE shall require any of its contractors to agree, as to the portion contracted, to fulfill all obligations of the Agreement as specified in this Agreement. However, GRANTEE shall remain obligated for full performance hereunder, and CITY shall incur no obligation other than its obligations to GRANTEE hereunder. This Agreement shall not be assigned or transferred in whole or in part or any right or obligation hereunder, without prior written approval of CITY.

- M. Independent Contractor Status. GRANTEE, and its contractors and employees are not employees of CITY and are not eligible for any benefits through CITY, including without limitation, federal social security, health benefits, workers' compensation, unemployment compensation, and retirement benefits. GRANTEE will be responsible for any federal, state, or local taxes and fees applicable to payments hereunder.

- N. Conflict of Interest. No CITY officer or employee, during his or her tenure or for two (2) years thereafter, shall have any interest, direct or indirect, in Grant Agreement or the proceeds thereof. CITY officer or employee who selected GRANTEE, participated in the award of this Agreement or managed this Agreement shall not seek the promise of employment from GRANTEE or be employed by GRANTEE during the term of the Agreement, unless waiver is obtained from CITY in writing.

- O. Oregon Laws and Forum. This Agreement shall be construed according to the laws of the State of Oregon without regard to its provisions regarding conflicts of law. Any litigation between CITY and GRANTEE arising under this Agreement or out of work performed under this Agreement shall occur in Multnomah County court having jurisdiction thereof, and if in the federal courts, in the United States District Court for the State of Oregon.

- P. Compliance with Law. GRANTEE and all persons performing work under this Agreement shall comply with all applicable federal, state, and local laws and

regulations, including reporting to and payment of all applicable federal, state and local taxes and filing of business license. If GRANTEE is a 501(c)(3) organization, GRANTEE shall maintain its nonprofit and tax-exempt status during this Agreement. GRANTEE shall be Equal Employment Opportunity (EEO) and Equal Benefits (EB) certified by CITY in order to be eligible to receive grant funds.

- Q. Independent Financial Audits/Reviews. Any grantee receiving \$300,000 or more in City funding, in any program year, is required to obtain an independent audit of the City-funded program(s). Any grantee receiving between \$25,000 and \$300,000 in City funds, in any program year, is required to obtain an independent financial review. One copy of all required financial audits or reviews shall be submitted to the Grant Manager within thirty days of audit completion or upon request by the Grant Manager.
- R. Severability. CITY and GRANTEE agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
- S. Merger. This Agreement contains the entire agreement between CITY and GRANTEE and supersedes all prior written or oral discussions or agreements. There are no oral or written understandings that vary or supplement the conditions of this Agreement that are not contained herein.
- T. Program and Fiscal Monitoring. CITY shall monitor on an as-needed basis to assure Agreement compliance. Monitoring may include, but are not limited to, on site visits, telephone interviews and review of required reports and will cover both programmatic and fiscal aspects of the Agreement. The frequency and level of monitoring will be determined by the Grant Manager. Notwithstanding such monitoring or lack thereof, GRANTEE remains fully responsible for performing the work, services or obligations required by this Agreement in accordance with its terms and conditions.
- U. Third Party Beneficiaries. There are no third-party beneficiaries to this Agreement and may only be enforced by the Parties.
- V. Electronic Transaction; Counterparts. The Parties agree that they may conduct this transaction, including any amendments, by electronic means, including the use of electronic signatures. This Agreement, and any amendment, may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument.

Attachment A – Scope of Work for New Avenues for Youth

- What are the expected results for this project/program? This includes:

- Output measures -what are the activities to be completed? (max. 200 words)

1 Job Readiness Training (JRT): Approximately 200 youth will participate in JRT, where they learn, practice, develop, and engage in "soft" skill development, goal setting, career exploration, computer literacy, resume development, job searching, interviewing, budgeting, telephone techniques, application completion, and professional dress.

2. Industry-Specific Training: Up to 50 JRT-trained youth will participate in industry-specific training that will include: 1) three sessions focused on principles of customer service, work readiness, and professionalism, and 2) one session, supported by volunteers, mentors, and industry-related professionals, who present on their specific needs and priorities (related to hotel/hospitality or food service, for example). This latter component also gives youth the chance to meet potential employers, further understand evaluation of job applicants, and match their interests to available employment opportunities.

3. Job Shadows and Career Exploration: These will be available to youth who have completed the trainings, with business partners including AC Hotel, DoubleTree Hotel, Provenance, Nordstrom Rack, Garden Bar, Starbucks, and Aramark.

4. Paid Internships: Youth completing the trainings and job shadow/career-exploration opportunities may receive paid internships (approximately 3-4 weeks) with participating business partners.

5. Potential Job Offers: Following internships, business partners may choose to hire youth. Ongoing job placement and retention support will remain available.

What data will you collect to show progress? (For example, how many people do you plan to serve?) (max. 200 words)

We will collect data on the numbers of youth who complete JRT and industry-specific training; who participate in job shadows, career-exploration activities, and paid internships; and who receive job offers.

Approximately 200 youth will participate in JRT and have access to the Service-Industry Training & Placement Program. Up to 50 youth will participate in industry-specific training. Approximately 120 youth engaged in our social purpose enterprises, in our Business and Mentorship Development Program, and who access our Drop-In Day Services Center will also be eligible for the program.

- o Outcome measures -what is the expected impact of these activities? (max. 200 words)

As described below, the program will help youth develop the necessary skills for gaining and retaining employment through JRT, industry-specific training, job shadows and career-exploration activities, paid internships, and potential job offers. Businesses within the service industries will help prepare and may secure potential employees to meet their workforce needs.

What data will you collect to show progress? (For example, what percent of participants reported a change in behavior before and after the activity?) (max. 200 words)

- 90 youth will increase employment-related skills (setting goals, job readiness, preparing resume and cover letter) and receive support services for job-readiness needs like clothes, shoes, and more.
- 60 youth will gain employment (jobs, work experience, internships-either following or during participation in the program).
- 90 youth will obtain certifications/licenses (food handler, OLCC, driver's license).

Using rigorous mechanisms for tracking client performance, our three-person Quality.

Assurance team gathers additional data on youth engaged in our workforce-development (and other) programs, including measures related to education progress, skill gains, job training, and employment success.

What are the major milestones that should be accomplished along the way? (max. 200 words)

Major milestones will include:

- Hiring and training the Service-Industry Skills Trainer
 - Developing our partnerships with Travel Portland and Starbucks, which will support youth through training, mentorship, internships, and job placements
 - Connecting with new service-industry business partners who will provide similar supports
 - Development of flexible, low-barrier JRT, adapted for youth interested in entering service-industry jobs
 - Development of industry-specific training
 - Youth acquisition of credentials and certifications (food handler, OLCC, driver's license, hospitality-service credentials)
 - Youth completion of JRT, industry-specific training, job shadows, and internships
 - Youth securing employment
- o What is the anticipated timeline for accomplishing these milestones? (max. 200 words)
- Within the first month of receiving a grant award: Service industry-specific JRT will be implemented.
 - Within 8 weeks of receiving a grant award: We will hire and train the new Service-industry Skills Trainer.
 - Within 8 weeks of receiving a grant award: Industry-specific training will be implemented.
 - Every other month: Youth may participate in JRT every other month; industry-specific training will occur in alternate months.
 - Ongoing: Youth will be placed in internships and jobs whenever they are ready and when opportunities arise.
 - Ongoing: Identification and expansion of business partnerships.
 - o What are potential challenges to this project/program, and how do you plan to mitigate those risks? (Max 200 words)

Engagement and retention are the main challenges we face in serving our youth, many of whom are experiencing homelessness or are housing unstable; experience mental health, drug/alcohol, and associated issues; or have other barriers. Our response is to focus on the individual, delivering wraparound supports (described earlier in the application) that address individual needs and help position youth to succeed.
