

ORDINANCE NO. 188918

*Approve an Intergovernmental Agreement with Portland State University for the Hatfield Resident Fellows Program for training and leadership development for candidates interested in public sector service for four years for up to six Fellows per year at an amount per Fellow of \$40,000 and total contract amount not to exceed \$960,000 (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Center for Public Service and the Mark O. Hatfield School of Government at Portland State University (PSU) host several highly competitive fellowships that are designed to bring national class talent to Oregon public enterprises.
2. The Hatfield Resident Fellows program is a Fellowship Program designed to provide training and leadership development opportunities for candidates interested in the public sector. The program is designed to build public sector capacity in Oregon by increasing the number of leaders who are devoted to public service.
3. Each Hatfield Fellow serves an eight-month stint in the public sector, working on new or unique project-specific activities.
4. City of Portland Bureaus identify promising Hatfield Resident Fellows to work on a number of projects of citywide significance over the eight months. The project work and cost per fellow is identified in each Fellow's Statement of Work and there is no commitment to the fellow beyond the eight months. The cost per fellow is \$40,000.

NOW, THEREFORE, the Council directs:

- a. The Mayor and City Auditor are hereby authorized to execute an intergovernmental agreement between the City and Portland State University in substantially the same form as Exhibit A, to allow City Bureaus to bring on Hatfield Resident Fellows.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants from available and authorized funds payable to Portland State University, not to exceed \$40,000 per Fellow, chargeable to participating City Bureaus.

Section 2. The Council declares that an emergency exists because it is necessary to get final approval to bring on Hatfield Fellows in order to ensure that the City is able to recruit the Fellows most suited to the City's project needs; therefore, this ordinance shall be in full force and effect upon passage.
