

## ORDINANCE No. 188937

\*Authorize a grant agreement with Northwest Disability Support, in an amount not to exceed \$50,000 for their think inclusion: school equity for youth with development disabilities program. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Northwest Disability Support's (NWDS) mission is to create and nurture a loving, inclusive community celebrating every individual with a disability. NWDS evolved from a small parent support group into a multifaceted cross-disability organization, successfully building supportive and competent inclusive communities. NWDS emphasizes: education, leadership, public awareness and acceptance, community building, empowering values, respect for families and individuals; promoting the competence of people with disabilities. Disability is a natural part of the human experience, and it is the right of all people to contribute and participate as valued citizens. Northwest Disability Support empowers families from early childhood to have high expectations, provide knowledge, skills and tools to successfully advocate for high-quality education.
2. Through their think inclusion program, NWDS aims at leveling the playing field with the long-term objective of building a robust foundation for inclusive education throughout the school years. Empowered with best practice information and high expectations for success, children with developmental disabilities can live joyful lives as fully contributing members of the community. Think Inclusion dismantles barriers to inclusive education, increasing academic access, providing more competent education, career opportunities, self-determination, community membership, competitive integrated employment at higher wages, and a healthier and more fulfilled life for students with developmental disabilities. Expansion of the think inclusion program will increase the outreach and impact to students with developmental disabilities in the Portland Metro area, who have limited options for inclusive education beginning in kindergarten through post -secondary education.

NOW THEREFORE, The Council directs:

- a. The Director of the Bureau of Revenue and Financial Services, as authorized by Ordinance 188820, is hereby authorized to enter into a grant agreement, with Northwest Disability Support as outlined in a form substantially in accordance with the agreement attached as Exhibit A, at a cost not to exceed \$50,000.
- b. The Director of the Bureau of Revenue and Financial Services and Auditor are hereby authorized to draw and deliver payment chargeable to Fiscal Year 2017-2018 Budget.

Section 2. The Council declares that an emergency exists because a delay in funding could result in a delay in services; therefore, this ordinance shall be in full force and effect from and after its passage by Council.
