Hello Karla

My name is Micelis Doyle and I would like to request a slot to address the City Council on April 4th or April 11th. I would like to discuss how the Council and City of Portland can better support Portland Public Schools to increase the equity of opportunity for all students to have their educational needs met. A city's economic development plan is only as good as the public school system it builds and supports.

I look forward to your reply.

Best Regards,  
Micelis Doyle
