Purpose of proposed legislation and background information:

The City's annual Charitable Campaign provides a means for City employees to contribute to multiple local, state, national and worldwide funds and federations. This ordinance amends City Code to allow eligible City-Partnered Nonprofits such as Sunshine Division, Portland Parks Foundation, and Portland Fire & Rescue Toy and Joy Makers to participate in the Citywide Charitable Campaign.

Financial and budgetary impacts:

Administrative costs associated with the Charitable Campaign are budgeted in the OMF Business Operations budget and reimbursed by the participating charities.

Community impacts and community involvement:

Charitable Campaign provides opportunity for employees to donate to local charities whose programmatic focus has a positive impact in communities throughout the city and state.

The campaign coordinator works with an internal advisory group of employees who provide direction and input about the campaign in accordance with City Code Chapter 5.10. In addition, the coordinator seeks input and collaborates with charitable organization representatives and City staff to effectively manage a successful campaign season.
