Purpose of proposed legislation and background information:

This report shares the results of the City's engagement with the "What Works Cities" initiative, which was approved by City Council in September 2016 (Resolution 37236).

Financial and budgetary impacts:

This report has no direct financial or budgetary impacts.

Community impacts and community involvement:

The goal of the City's involvement in What Works Cities was to advance community involvement by making government data and performance metrics more easily accessible by the public. The City's Statement of Work was developed in observation of the Citywide Racial Equity Goals & Strategies, the Climate Change Action Plan and the Portland Plan.

100% Renewable Goal:

This report does not impact the City's 100% Renewable Goal.
