In 1987, the citizens of Portland, Oregon, USA chose Ashkelon, Israel as a sister-city and established PASCA. Our sister-city association was created to foster industrial, economic, educational and cultural exchanges. Our relationship encourages cultural understanding between our citizens. Ashkelon has a major hospital, Barzelai, that serves the entire region including Gazans, that we are most concerned about.

Victory Day Celebration/Commemoration

One thing Russia and the U.S. still do agree on these days is the monumental role played by the Soviet people in the defeat of Hitler, an achievement commemorated annually in grandiose style in Russia during the holiday known as "The Day of Victory" or simply "The 9th of May". (It's very similar in tradition to America's 4th of July--patriotic parades and music, family picnics, fireworks, etc.) Accordingly, in the spirit of Russo-American cooperation and friendship, the Portland-Khabarovsk Sister City Association annually celebrates Victory Day with an event that features poignant narratives and poetry, festive music & dancing, Russian cuisine, and, in 2016, the showing of the classic award-winning Soviet WWII film, "The Cranes are Flying".

Our 2017 "Victory Day Movie Night Commemoration / Celebration" is on Sunday, May 7th, 6:30-8:45 pm, at Fifth Ave. Cinema (510 SW Hall St, Portland 97201). For the general admission price of \$5 (\$3 for students and 65+ seniors), help yourself to Russian appetizers (zakuski) and refreshments, while enjoying Russian music and

PORTLAND-MUTARE SISTER CITY ASSOCIATION

It takes a planet to save a village!

[About Us](#) [Our Story](#) [What Can You Do?](#) [Gallery](#) [Blog](#) [Contact Us](#)

The Portland City Council approved the Portland-Mutare Sister City relationship December 18, 1991 and as a non-profit organization, PMSCA has worked to promote good will and the exchange of ideas, goods, culture and friendship between the people of Portland, Oregon and Mutare, Zimbabwe. We strive to learn from our differences, celebrate our similarities and nurture our interconnectedness.

Since 1991, citizens from Portland and Mutare have made trips back and forth, learning from and working with each other. Our group has sent computers, partially covered teacher salaries, mailed 1200 eyeglasses, built a clinic, funded 2 ambulances, helped fund a car for rural hospice health outreach, funded a mother's shelter, clothing, textbooks, toys, school supplies, generators, musical instruments, sports uniforms, phones, heaters, radios, school fees, plus so much more. Recently, we agreed to fund bed pans and wheelchairs for hospice patients and funding for materials that deaf students will use to make and sell feminine products.

- Mutare has been a Portland Sister City for 27 years – with a humanitarian focus on supporting health and education programs.
- Mutare is located in Zimbabwe's beautiful Eastern Highlands bordering Mozambique & South Africa
- Mutare is Zimbabwe's third largest city, with a background in forestry, farming, and tourism.
