

ORDINANCE No. 188992

* Extend contract with Cascadia Behavioral Healthcare, Inc. to June 30, 2019 and increase the not to exceed amount to \$1,613,724 for mental health clinician services (Ordinance; amend Contract No. 30003831)

The City of Portland ordains:

Section 1. The Council finds:

1. Cascadia Behavioral Healthcare, Inc. currently provides three qualified Mental Health Professionals to ride along with uniformed police officers in patrol cars to provide on-scene mental health assessment and evaluation under a program called Project Respond as part of the Behavioral Health Unit (BHU).
2. This partnership provides linkage to social services resources and databases to identify and follow up with individuals who are generating frequent police contact due to a mental health or emotional crisis.
3. The current contract expires on June 30, 2018 and has a not to exceed amount of \$1,088,076.
4. The City and Cascadia Behavioral Healthcare wish to enter into a new one-year contract that reflects the current program and costs associated with these services beginning July 1, 2018.
5. Sufficient funding resides in on-going Police Bureau General Fund appropriation; the increase of dollars on this contract does not obligate the City to spend funds.
6. It is beneficial to the City and community that this agreement may be authorized as quickly as possible to avoid a lapse in the program.

NOW, THEREFORE, the Council directs:

- a. That the commissioner in charge is authorized to amend an agreement between the City and Cascadia Behavioral Healthcare, Inc. as outlined in a form similar to the contract attached as Exhibit A.
- b. The Chief of Police and the Project Manager are authorized to execute amendments to the scope of services or the terms and conditions of the Agreement, provided the changes do not increase the amount of compensation or increase the City's financial risk.

Section 2. The Council declares an emergency exists because a delay in executing the contract may deprive the City of the benefits of the continuity of the BHU's Project Respond efforts. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
