

ORDINANCE No. 188993

* Authorize application to the Department of Homeland Security Urban Areas Security Initiative grant program for a grant in the amount of \$2,500,000 to enhance emergency preparedness through planning, training, and equipping of emergency responders in the Portland Urban Area. (Ordinance).

The City of Portland ordains:

Section 1. The Council finds:

1. The Department of Homeland Security provides financial assistance to selected urban areas through the Fiscal Year (FY) 2018 Urban Areas Security Initiative (UASI) grant program. The UASI program assists high-threat, high-density Urban Areas in efforts to build, sustain, and deliver capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. Many of these capabilities also support Urban Areas in preparing for, responding to, and recovering from natural and other human caused disasters.
2. The City of Portland, in cooperation with regional partners (e.g., TriMet, Port of Portland, Multnomah, Clackamas, Washington and Columbia counties of Oregon and Clark County, Washington) of the Regional Disaster Preparedness Organization (RDPO), are applying for financial assistance to address the unique equipment, training, planning, exercise and operational needs of this large urban area.
3. The Department of Homeland Security has designated Portland, Oregon as the core urban area in the State of Oregon.
4. The City of Portland has applied for and received Department of Homeland Security UASI grant funds since FY 2003 and works with regional partners through the RDPO to coordinate, plan, execute trainings and exercises, and procure equipment to respond to and recover from natural disasters and acts of terrorism. There is no match requirement for this grant.

NOW THEREFORE, the Council directs:

- a. The Mayor and the Portland Bureau of Emergency Management (PBEM) are authorized to apply for this grant from the Department of Homeland Security in the amount of \$2,500,000.
- b. The Mayor is authorized to provide such information and assurances as are required for the grant period.
- c. The Office of Management and Finance (OMF) Grants Management Division is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the PBEM Director's behalf.
- d. The Director of the Portland Bureau of Emergency Management (PBEM) is authorized to accept on behalf of the City of Portland any subsequent modifications to the UASI FY'18 grant, provided such modifications do not increase the City of Portland's financial

obligation or risk. Any modifications that increase the City of Portland's financial obligation or risk must be authorized by Portland City Council.

Section 2. The Council declares that an emergency exists to meet grant submittal deadlines in mid-June 2018 and any delay in application for this grant will result in losing the opportunity to apply for the grant. Therefore, this ordinance shall be in full force and effect from and after its passage by Council.
