

**ORDINANCE No.**

**189037**

\*Increase commercial solid waste fees, effective July 1, 2018  
(Ordinance; amend Code Section 17.102.250).

The City of Portland ordains:

Section 1. The Council finds:

1. Chapter 17.102 of the Portland City Code is the means by which the City complies with the statutory directives under ORS Chapter 459A that manage solid waste, encourage waste prevention and recycling. The City carries out these efforts through residential franchising, issuing permits to commercial solid waste haulers, and requiring all businesses to participate in recycling.
2. The commercial tonnage fee charged to commercial permittees is assessed on each ton of garbage collected from commercial accounts in the City. An increase in this fee is needed to fund waste activities related to cleanup services.
3. The additional revenues generated by this fee increase will be used only to undertake cleanup activities and dispose of waste and debris on public properties and rights-of-way. This additional funding will allow for a significant increase in the amount of trash and debris the City is able to remove from public property on an annual basis.

NOW, THEREFORE, the Council directs:

- a. City Code Section 17.102.250, Commercial Tonnage Fee, is amended as follows:

Commercial Permittees shall, when invoiced quarterly by the Director, pay a tonnage fee to the City. Fees shall be assessed up to ~~\$9.60~~ \$12.60 per ton of commercial Solid Waste collected within the City and deposited in disposal facilities authorized by Metro. Payments shall be made within 30 days of the date of the invoice. Interest shall accrue at 1% per month on balances which remain unpaid as of 30 days after the date of invoice, compounded daily from the due date.

Section 2. The Council declares that an emergency exists so the amendments under this Ordinance to City Code Section 17.102.250, Commercial Tonnage Fee, shall be effective on and after July 1, 2018, to coincide with the change-over in the City's fiscal year and with annual renewal of commercial solid waste collection permits.
