

AMENDMENT No. 4
GRANT AGREEMENT NO. 32000404

This Amendment No. 4 to Grant Agreement 32000404 between the CITY OF PORTLAND, OREGON ("CITY" OR "GRANTOR" and Legal Aid Services of Oregon ("LASO" OR "GRANTEE") is effective as of July 1, 2018.

RECITALS:

1. On March 13th, 2008, the City of Portland, Oregon, accepted the recommendations of the Feasibility Study for a One Stop Domestic Violence Center ("Study") and subsequently opened the Gateway Center for Domestic Violence Services ("the Gateway Center") based on the recommendations therein. The study gauged a high-level of interest and support among service providers, and recognized a strong need for such a center among victims and survivors of domestic violence.
2. The Study recommended that civil legal assistance be among the core services offered at the Gateway Center.
3. Legal Aid Services of Oregon (LASO) was recommended by the Center's advisory council to provide the onsite civil legal assistance because of LASO's experience providing legal aid to domestic violence victims specifically, and LASO's because of participation on collaborative partnerships for vulnerable populations in general.
4. Since the Gateway Center opened in September 2010 it has been visited by thousands of survivors of domestic violence and their children.
5. On May 19, 2010, the City passed Ordinance No. 183788, authorizing the City and LASO to enter into Grant Agreement No. 32000404, with LASO to provide civil legal assistance at the Gateway Center. That Agreement commenced July 1, 2010, and expired June 30, 2012.
6. On December 5, 2012, the City passed Ordinance No. 185776, authorizing the City and LASO to enter into Amendment No. 2 to Grant Agreement No. 32000404. Amendment No. 2 retroactively extended the term of the Agreement to June 30, 2016.
7. On September 9, 2015, the City passed Ordinance No. 187329, authorizing the City and LASO to enter into Amendment No. 3 to Grant Agreement No. 32000404. Amendment No. 3 prospectively extended the term of the Agreement grant until June 30, 2018.
8. Civil legal assistance has been and continues to be one of the highest sought after services at the Center. Further, there has been a trend to reduce access to justice in this service area.

9. Due to the overwhelming need for civil legal assistance for domestic violence survivors served at the Gateway Center for Domestic Violence Services, the City has budgeted \$120,000 annually for this service.

Therefore, Parties agree as follows:

ACTIONS TO BE TAKEN BY GRANTEE

1. The Recitals above are true and correct and are part of this Amendment No. 4.
2. The Grant Agreement term shall extend two years and shall terminate on June 30, 2020, unless otherwise sooner terminated under any provisions of the Grant Agreement.
3. The total grant funds shall be increased by \$240,000 to reflect the extended terms as indicated in the above recitals.
4. Except as modified in this Amendment No. 4, the terms and conditions of the Grant Agreement shall remain in full force and effect.
