

I'm handing out my notes from the June 11, 2018 communication for the few commissioners that were absent on that day.

Mr. Mayor we had a good short meeting on June 11, 2018, but nothing resulted from your recommendation regarding having the Police Department respond to my question. Last week I approached the city attorney and ask if they could review my question and have the attending attorney in todays meeting prepare an answer for me.

I have seen my city leaders give lots of opinions at council meetings

My City leaders are paid to make decisions, I have been asking for an opinion starting from November 2016

Are you going to give me an opinion Yes of No

Reporting and Enforcement

ORS 830.035 (1) provides:

The sheriff of each county and all other peace officers shall be responsible for
The enforcement of this chapter and any regulations made by the State
Marine Board pursuant thereto.

Emphasis added. "Peace officer" includes "a member of the Oregon State Police, a sheriff or deputy sheriff and a city police officer." ORS 830.005(11). Thus, for the "Hit & Run", Unsafe Operation and Reckless Operation crimes and violations discussed above, the State Police, the Multnomah County Sheriff's Office and the City of Portland Police Department all are responsible for their enforcement, if within their jurisdiction. However, the Marine Board website provides s "Report A Crime" form as well as a "Boating Accident Report" form:

Does this ORS 830.035 mean that the first Peace officer (Jeff Myers, City of Portland Policeman) on the scene of a hit and run, should have launched an investigation ?

What is your opinion ?

7-11-2018 notes

For the record Now,

I must switch from business communications
to A political agenda

19 months now, no answers from Portland's Mayor or the City council. Mr. Mayor your Director of Communications, Michael Cox stated to me he would call me, after giving him 3 reminders to call me still no calls. You ordered Michelle to meet with me, after 3 times communicating with her no response. My question to all of you on record, commissioner Eudaly, Fritz, Saltzman, Fish and Mayor Wheeler on record why do you not provide me time to discuss an issue I have with Your City ?

Please respond
