

ORDINANCE No. 189136

*Authorize a grant agreement with GreenHop LLC, in an amount not to exceed \$95,155 for their Green Hop Cannabis Workforce Incubator. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Green Hop Cannabis Workforce Incubator is a pilot project under the leadership of Green Hop LLC. This project is an intentional effort to racially diversify the cannabis industry with an accelerated training and apprenticeship academy, that connects historically underserved populations with the knowledge of how to enter the cannabis industry – from seed to sale.
2. By establishing an educational and informational academy and an internship/apprenticeship program, Grantee hopes to make an impact within the Oregon cannabis industry that offers equity, inclusion, job health and prosperity for people of color in the Portland metro region. With an emphasis on educating communities of color about the cannabis industry, to help them recognize the medicinal and economic opportunities available to them and help heal the isolation and stigma that have been associated with the cannabis industry for decades.

NOW THEREFORE, The Council directs:

- a. The Director of the Bureau of Revenue and Financial Services, as authorized by Ordinance 188820, is hereby authorized to enter into a grant agreement, with GreenHop LLC as outlined in a form substantially in accordance with the agreement attached as Exhibit A, at a cost not to exceed \$95,155.
- b. The Director of the Bureau of Revenue and Financial Services and Auditor are hereby authorized to draw and deliver payment chargeable to Fiscal Year 2018-19 Budget.

Section 2. The Council declares that an emergency exists because a delay in funding could result in a delay in services; therefore, this ordinance shall be in full force and effect from and after its passage by Council.
