

**GRANT AGREEMENT NO.**

This Grant Agreement is between the CITY OF PORTLAND, OREGON ("CITY" or "GRANTOR") and GREENHOP LLC (or "GRANTEE") in an amount not to exceed \$95,155 for the Green Hop Cannabis Workforce Incubator.

**RECITALS:**

1. The GreenHop Cannabis Workforce Incubator is a pilot project under the leadership of GreenHop LLC. This project is an intentional effort to racially diversify the cannabis industry with an accelerated training and apprenticeship academy, that connects historically underserved populations with the knowledge of how to enter the cannabis industry – from seed to sale.
2. By establishing an educational and informational academy and an internship/apprenticeship program, Grantee hopes to make an impact within the Oregon cannabis industry that offers equity, inclusion, job health and prosperity for people of color in the Portland metro region. With an emphasis on educating communities of color about the cannabis industry, to help them recognize the medicinal and economic opportunities available to them and help heal the isolation and stigma that have been associated with the cannabis industry for decades.
3. GRANTEE submitted a grant application during FY2017-18 for the competitive cannabis tax allocation competitive grants process and was selected as one of the two organizations recommended for funding under workforce development category.
4. The City now desires to award a cannabis tax allocation grant to GRANTEE in an amount not to exceed \$95,155. Funding for the program was carried forward from FY2017-18 to FY2018-19.

**ARTICLE IV -- PAYMENTS**

- A. The amount of this grant award is \$95,155. This is a cost reimbursable grant, meaning GRANTEE will only be reimbursed for eligible expenses incurred. However, after the Grant Agreement becomes effective, GRANTEE may choose to submit an invoice using CITY'S invoice template included as Attachment D for a quarter (\$23789.) of the grant award to the CITY Grant Manager for approval and payment. The CITY will pay GRANTEE the amount of the invoice within thirty (30) days of the approval date. Subsequent payments will be made after review and approval of the progress report and invoice, Attachments C and D, respectively; which are due on a quarterly basis from the date of the final agreement signature. If GRANTEE requested a quarter of the grant award upon execution, then subsequent payments will only be made after the GRANTEE submits eligible expenses that exceeds the amount requested. Grantee may submit periodic progress reports and requests for reimbursement of approved expenses in advance of the due dates.
- B. GRANTEE agrees to operate the program as described in the GRANTEE's grant application and to expend funds in accordance with the approved budget, unless the GRANTEE receives prior written approval from the CITY'S Grant Manager to modify the program or the budget. Requests for payment must be made using Attachment D and accompanied by Attachment C. Backup documentation to support eligible expenses is also required. Examples of backup documentation includes, but is not limited to payroll reports, timesheets, invoices, meeting agendas, sign in sheets, copies of checks, etc.
- C. If for any reason GRANTEE receives a grant payment under this Grant Agreement and does not use grant funds, provide required services or take any actions required by the Grant Agreement the CITY may, at its option terminate, reduce or suspend any grant funds that have not been paid and may, at its option, require GRANTEE to immediately refund to the CITY the amount improperly expended or received by GRANTEE.
- D. Grant payments under this Agreement may be used only to provide the services or take the actions listed previously in this Grant Agreement and shall not be used for any other purpose.
- E. If, for any reason, GRANTEE's anticipated services or actions are terminated, discontinued or interrupted, the CITY's payment of funds under this grant may be terminated, suspended or reduced.
- F. GRANTEE will keep vendor receipts and evidence of payment for materials and services and time records and evidence of payment for program wages, salaries, and benefits, and GRANTEE services. All such receipts and evidence of payments will promptly be made available to the Grant Manager or other designated persons, upon request. At a minimum, such records shall be made available and will be reviewed as part of the annual monitoring process. See Article III B. Records for retention period.
- G. Prevailing wages. State of Oregon, Bureau of Labor and Industries (BOLI) wage rates are required for certain contracts that total \$50,000 and above. If GRANTEE's project is subject to the prevailing wage requirements, GRANTEE will comply with the prevailing wage requirements of ORS 279C.800 through 279C.870 and any other applicable prevailing wage requirements contained in ORS 279C, Oregon administrative rules, or city code.

- H. Prevailing wage indemnity. GRANTEE AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS CITY, ITS EMPLOYEES, OFFICERS, AND AGENTS, FROM AND AGAINST ANY CLAIM, SUIT, OR ACTION, INCLUDING ADMINISTRATIVE ACTIONS, THAT ARISE OUT OF GRANTEE'S FAILURE TO COMPLY WITH ORS 279C.800 TO 279C.870 AND ANY APPLICABLE ADMINISTRATIVE RULES OR POLICIES.

#### **ARTICLE V -- GENERAL GRANT PROVISIONS**

- A. Cause for Termination; Cure. It shall be a material breach and cause for termination of this Agreement if GRANTEE uses grant funds outside of the scope of this Agreement, or if GRANTEE fails to comply with any other term or condition or to perform any obligations under this Agreement within thirty (30) days after written notice from CITY. If the breach is of such nature that it cannot be completely remedied within the thirty (30) day cure period, GRANTEE shall commence cure within the thirty (30) days, notify CITY of GRANTEE's steps for cure and estimated time table for full correction and compliance, proceed with diligence and good faith to correct any failure or noncompliance, and obtain written consent from CITY for a reasonable extension of the cure period.
- B. No Payment or Further Services Authorized During Cure Period. During the cure period, CITY is under no obligation to continue providing additional grant funds notwithstanding any payment schedule indicated in this Agreement. GRANTEE shall not perform services or take actions that would require CITY to pay additional grant funds to GRANTEE. GRANTEE shall not spend unused grant funds and such unused funds shall be deemed held in trust for CITY. GRANTEE shall be solely responsible for any expenses associated with cure of its noncompliance or failure to perform.
- C. Termination for Cause. Termination for cause based on GRANTEE's misuse of grant funds shall be effective upon notice of termination. Termination for cause based on failure to comply or perform other obligations shall be effective at the end of the 30-day period unless a written extension of cure period is granted by CITY. GRANTEE shall return all grant funds that had not been expended as of the date of the termination notice. All finished or unfinished documents, data, studies, and reports prepared by GRANTEE under this Agreement shall, at the option of CITY, become the property of CITY; and GRANTEE may be entitled to receive just and equitable compensation for any satisfactory work completed on such documents up until the time of notice of termination, in a sum not to exceed the grant funds already expended.
- D. Penalty for Termination for Cause. If this Agreement is terminated for cause, CITY, at its sole discretion, may seek repayment of any or all grant funds tendered under this Agreement, and decline to approve or award future grant funding requests to GRANTEE.
- E. Termination by Agreement or for Convenience of City. CITY and GRANTEE may terminate this Agreement at any time by mutual written agreement. Alternatively, CITY may, upon thirty (30) days written notice, terminate this agreement for any reason deemed appropriate in its sole discretion. If the Agreement is terminated as provided in this paragraph, GRANTEE shall return any grant funds that would have been used to provide services after the effective

date of termination. Unless the Parties agree otherwise, GRANTEE shall finish any work and services covered by any grant funds already paid and shall not commence any new work or services which would require payment from any unused grant funds.

- F. Changes in Anticipated Services. If, for any reason, GRANTEE's anticipated services or actions are terminated, discontinued or interrupted, CITY's payment of grant funds may be terminated, suspended or reduced. GRANTEE shall immediately refund to CITY any unexpended grant funds received by GRANTEE.
- G. Amendment. The Grant Manager is authorized to execute amendments to the scope of the services or the terms and conditions of this Agreement, provided the changes do not increase CITY's financial risk. Increases to the grant amount must be approved by the City Council unless the City Council delegated authority to amend the grant amount in the ordinance authorizing this Agreement. Amendments to this Agreement, including any increase or decrease in the grant amount, must be in writing and executed by the authorized representatives of the Parties and approved to form by the City Attorney.
- H. Non-discrimination; Civil Rights. In carrying out activities under this Agreement, GRANTEE shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. GRANTEE shall take actions to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, age, handicap, familial status, sexual orientation or national origin. Actions shall include but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- GRANTEE shall post in conspicuous places, available to employees and applicants for employment, notices, which state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. GRANTEE shall incorporate the foregoing requirements of this section in all other agreements for work funded under this Agreement, except agreements governed by Section 104 of Executive Order 11246.
- I. Audit. CITY, either directly or through a designated representative, may conduct financial or performance audit of the billings and services under this Agreement or GRANTEE records at any time during this Agreement and during the ten (10) year period established above in Article III.B. As applicable, audits will be conducted in accordance with generally accepted auditing standards as promulgated in *Government Auditing Standards* by the Comptroller General of the United States General Accounting Office. If an audit discloses that payments to GRANTEE exceeded the amount to which GRANTEE was entitled, then GRANTEE shall repay the amount of the excess to CITY.
- J. Indemnification. GRANTEE shall hold harmless, defend, and indemnify CITY, and its officers, agents and employees against all claims, demands, actions, and suits (including all costs) brought against any of them arising from actions or omissions of GRANTEE and/or its contractors in the performance of this Agreement.

- K. Insurance. GRANTEE shall obtain and maintain in full force at its expense, throughout the duration of the Agreement and any extension periods, the required insurance identified below. CITY reserves the right to require additional insurance coverage as required by statutory or legal changes to the maximum liability that may be imposed on Oregon cities during the term of this Agreement.
1. Workers' Compensation Insurance. GRANTEE, its contractors and all employers working under this Agreement shall comply with ORS Chapter 656 and as it may be amended from time to time. Unless exempt under ORS Chapter 656, GRANTEE, its contractors and any employers working under this Agreement shall maintain coverage for all subject workers for the duration of this Agreement.

In the event worker's compensation insurance coverage is due to expire during the term of this Agreement for any employers working under this agreement, GRANTEE agrees to require timely renewal of that insurance, either as a carrier-insured employer or a self-insured employer as provided by Chapter 656 of the Oregon Revised Statutes, before its expiration, and GRANTEE agrees to provide the CITY such further certification of worker's compensation insurance as renewals of said insurance occur.
  2. Commercial General Liability Insurance:

GRANTEE shall maintain commercial general liability and property damage insurance that protects GRANTEE and the CITY and its officers, agents, and employees from any and all claims, demands, actions, and suits for damage to property or personal injury, including death, arising from GRANTEE's work under this Grant Agreement. The insurance shall provide coverage for not less than \$2,000,000 per occurrence.
  3. Automobile Liability Insurance: GRANTEE shall have automobile liability insurance with coverage of not less than \$2,000,000 each accident. The insurance shall include coverage for any auto or all owned, scheduled, hired and non-owned auto. This coverage may be combined with the commercial general liability insurance policy.
  4. Additional Insured: The liability insurance coverages, except Professional Liability, Errors and Omissions, or Workers' Compensation where applicable, shall be without prejudice to coverage otherwise existing, and shall name the City of Portland and its bureaus/divisions, officers, agents and employees as Additional Insureds, with respect to the GRANTEE's or its contractor's activities to be performed or services to be provided. Grantee shall provide proof of additional insured coverage in the form of an additional insured endorsement form or a policy coverage document acceptable to City. Coverage shall be primary and non-contributory with any other insurance and self-insurance. Notwithstanding the naming of additional insureds, the insurance shall protect each additional insured in the same manner as though a separate policy had been issued to each, but nothing herein shall operate to increase the insurer's liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured.

5. Continuous Coverage; Notice of Cancellation: GRANTEE shall maintain continuous, uninterrupted coverage for the duration of the Agreement. There shall be no termination, cancelation, material change, potential exhaustion of aggregate limits, or non-renewal of coverage without thirty (30) days written notice from GRANTEE to CITY. If the insurance is canceled or terminated prior to termination of the Agreement, GRANTEE shall immediately notify CITY and provide a new policy with the same terms. Any failure to comply with this clause shall constitute a material breach of the Agreement and shall be grounds for immediate termination of this Agreement.
6. Certificate(s) of Insurance: GRANTEE shall provide proof of insurance through acceptable certificates of insurance and a CG 2026 additional insured endorsement form (or an equivalent blanket additional insured form) to CITY on or before execution of the Agreement and prior to any commencement of work or delivery of goods or services under the Agreement or initial payment of grant funds. The certificate(s) will specify all of the parties who are endorsed on the policy as Additional Insureds (or Loss Payees). Insurance coverages required under this Agreement shall be obtained from insurance companies acceptable to CITY. GRANTEE shall pay for all deductibles and premium from its non-grant funds. CITY reserves the right to require, at any time, complete and certified copies of the required insurance policies evidencing the coverage required. In lieu of filing the certificate of insurance required herein, if GRANTEE is a public body, GRANTEE may furnish a declaration that GRANTEE is self-insured for public liability and property damage for a minimum of the amounts set forth in the Oregon Tort Claims Act (ORS 30.260 to 30.300).
- L. Grantee's Contractor; Non-Assignment. If GRANTEE utilizes contractors to complete its work under this Agreement, in whole or in part, GRANTEE shall require any of its contractors to agree, as to the portion contracted, to fulfill all obligations of the Agreement as specified in this Agreement. However, GRANTEE shall remain obligated for full performance hereunder, and CITY shall incur no obligation other than its obligations to GRANTEE hereunder. This Agreement shall not be assigned or transferred in whole or in part or any right or obligation hereunder, without prior written approval of CITY.
- M. Independent Contractor Status. GRANTEE, and its contractors and employees are not employees of CITY and are not eligible for any benefits through CITY, including without limitation, federal social security, health benefits, workers' compensation, unemployment compensation, and retirement benefits. GRANTEE will be responsible for any federal, state, or local taxes and fees applicable to payments hereunder.
- N. Conflict of Interest. No CITY officer or employee, during his or her tenure or for two (2) years thereafter, shall have any interest, direct or indirect, in Grant Agreement or the proceeds thereof. CITY officer or employee who selected GRANTEE, participated in the award of this Agreement or managed this Agreement shall not seek the promise of employment from GRANTEE or be employed by GRANTEE during the term of the Agreement, unless waiver is obtained from CITY in writing.

- O. Oregon Laws and Forum. This Agreement shall be construed according to the laws of the State of Oregon without regard to its provisions regarding conflicts of law. Any litigation between CITY and GRANTEE arising under this Agreement or out of work performed under this Agreement shall occur in Multnomah County court having jurisdiction thereof, and if in the federal courts, in the United States District Court for the State of Oregon.
- P. Compliance with Law. GRANTEE and all persons performing work under this Agreement shall comply with all applicable federal, state, and local laws and regulations, including reporting to and payment of all applicable federal, state and local taxes and filing of business license. If GRANTEE is a 501(c)(3) organization, GRANTEE shall maintain its nonprofit and tax-exempt status during this Agreement. GRANTEE shall be Equal Employment Opportunity (EEO) and Equal Benefits (EB) certified by CITY to be eligible to receive grant funds.
- Q. Independent Financial Audits/Reviews. Any grantee receiving \$300,000 or more in City funding, in any program year, is required to obtain an independent audit of the City-funded program(s). Any grantee receiving between \$25,000 and \$300,000 in City funds, in any program year, is required to obtain an independent financial review. One copy of all required financial audits or reviews shall be submitted to the Grant Manager within thirty days of audit completion or upon request by the Grant Manager.
- R. Severability. CITY and GRANTEE agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
- S. Merger. This Agreement contains the entire agreement between CITY and GRANTEE and supersedes all prior written or oral discussions or agreements. There are no oral or written understandings that vary or supplement the conditions of this Agreement that are not contained herein.
- T. Program and Fiscal Monitoring. CITY shall monitor on an as-needed basis to assure Agreement compliance. Monitoring may include, but are not limited to, on site visits, telephone interviews and review of required reports and will cover both programmatic and fiscal aspects of the Agreement. The frequency and level of monitoring will be determined by the Grant Manager. Notwithstanding such monitoring or lack thereof, GRANTEE remains fully responsible for performing the work, services or obligations required by this Agreement in accordance with its terms and conditions.
- U. Third Party Beneficiaries. There are no third-party beneficiaries to this Agreement and may only be enforced by the Parties.
- V. Electronic Transaction; Counterparts. The Parties agree that they may conduct this transaction, including any amendments, by electronic means, including the use of electronic signatures. This Agreement, and any amendment, may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument.

## Attachment A – Scope of Work

The Green Hop Academy scope of work will have a slight modification in the number of participants we will serve. The major change will be in the sections below.

### **Scope of Work**

*Please describe the following: • What are the expected results for this project/program? This includes: Output measures – what are the activities to be completed? (max. 200 words)*

On April 2, 2018, Green Hop will partner with The Portland Opportunities Industrialization Center (POIC) to become a work development site to take eight young adults, ages 21 to 24, through the training academy to become BudTenders at the Green Hop dispensary. POIC is committed to the future success of underserved youth, providing the highest quality services in education, mentoring, family outreach, employment training and placement.

**THE ACADEMY:** The Academy will serve as a workforce training site that will provide experiential learning and instruction - from seed to sale. Each student will be paid for their classroom time and we will also help participants get their Marijuana Worker Permit from the Oregon Liquor Control Commission. Once participants complete the academy, they can apply for the apprenticeship program.

**THE APPRENTICESHIP/INTERN PROGRAM:** We will establish partnerships with at least four cannabis-related enterprises or individuals in order to provide a pathway for our students to get hands-on experience before becoming entrepreneurs, advocates and/or employees in the cannabis industry. Green Hop will also align its advocacy with local and national cannabis trailblazers who share our cultural values.

*What data will you collect to show progress? (For example, how many people do you plan to serve?) (max. 200 words)*

Green Hop's programming will serve 9-10 participants by the end of the 2018-2019 fiscal year. We will track the number of applications and participants by inputting data, using sign-in sheets, and will collect evaluative surveys from students upon their completion of the program. By the end of the 2018-19 fiscal year, we expect at least 9-10 trainees to obtain Marijuana Worker Permits and will numbers of permits to show progress. During the training academy, we will provide evaluative surveys to document proficiency towards our learning targets. We will also track the number of applicants interested at expanding their learning and experience with our apprenticeship program.

*Outcome measures – what is the expected impact of these activities? (max. 200 words)*

The expected impact is that our Cannabis Workforce Incubator will provide a work entry point that will attract more people of color into the cannabis industry. Our programming will provide a missing bridge and, at a minimum, a starting point that will help dismantle the intimidating legal language and processes that prevent people of color from entering the industry. Green Hop's programming will provide education around cannabis laws structures and methods from seed to sale. Another expected impact is that more people in local communities of color will recognize the medicinal benefits available to them through cannabis. Our programming can also help heal the isolation and stigma that have been associated with the cannabis industry for decades.

www.gogreenhop.com  
info@gogreenhop.com

**What data will you collect to show progress? (For example, what percent of participants reported a change in behavior before and after the activity?) (max. 200 words)**

To measure how belief systems have changed in the community, we will survey participants in our community education seminars about questions that reflect their belief systems. We will also survey community members at our community events and concerts. We expect to have 85 percent of our participants to report a change in their beliefs about cannabis. Green Hop will collect qualitative and quantitative data in our apprenticeship program, that will include establishing partnerships with at least four companies or more that will take placements for our interns to gain exposure and experience. We will use worksite agreements to track the number of internships provided to our students. We will provide evaluative surveys from participants and worksite supervisors. And we will collect post-internship surveys - after six months and one year - to determine how many students became cannabis entrepreneurs, investors, consultants, advocates, or became an employee.

**Please describe your organization's experience, capabilities, project approach and understanding of the funding area/s, under which you applied? (max. 200 words)**

Green Hop co-owner and operator Karanja Crews is an award-winning educator, entrepreneur, and curator, who specializes in curriculum and program development. He deeply understands the need for building equity with dignity, cultural respect and transparency. Before Crews co-founded the world's first Hip Hop cannabis dispensary in Northeast Portland, a neighborhood where he grew up, he spent more than a decade teaching at both elementary and collegiate levels. Crews has invented a literacy board game, developed a social justice Hip Hop-based curriculum, and founded a non-profit organization dedicated to empowering and educating AfricanAmerican students. He has established a strong local and national cannabis-related network to support Green Hop's programming. Co-owner Nicole Kennedy is a high school teacher with a passion for health and wellness. She has worked in the medical field for almost 10 years, as a licensed practical nurse and a medical assistant, where she chaired the Patient Experience Committee at a Providence medical center for two years. She has also taught prenatal nutrition to newly pregnant mothers for six years. Kennedy brings a keen knowledge about the scientific and medical benefits of cannabis and has the experience and the teaching credentials to create culturally centered curriculum for Green Hop's programming.

**What are the major milestones that should be accomplished along the way? (max. 200 words)**

Green Hop's programming will begin in October to take 9-10 interns through our 10 week academy from October 1st to Feb 19, 2019. If Green Hop is granted funding from the Cannabis Tax Allocation Grant, it will solidify the apprenticeship and internship program to serve more participants by the end of the 2018-2019 fiscal year. Of those participants, about 9-10 will have completed the academy and 9-10 will be selected to enter the apprenticeship program. Another milestone is to recruit 10 worksites by September 30<sup>th</sup>, 2018 that would accept responsibility to mentor graduates of Green Hop's academy training program. The worksite supervisors, in collaboration with our program director, will create job descriptions and interview from the pool of trainees. The worksites will then place our trainees into paid internships so that they can engage hands-on in all aspects of the cannabis industry
