The City of Portland ordains:

Section 1. The Council finds:

1. In ORS 223.835, the Portland City Council has the legislative authority to set parking rates and regulate the uses of the Garage system.
2. The Portland Bureau of Transportation (PBOT) is responsible for managing and maintaining all official business, operations and records for the City's six SmartPark Parking Garages. PBOT is charged with providing parking garage management services for the City of Portland's SmartPark parking garages in a manner that is financially sound while supporting the economic vitality of the City, maximizing revenues, and prudently managing cost.
3. PBOT is responsible for maintaining Parking Garage Management Services for the City's six (6) owned parking garages, which total almost 3,800 spaces within the SmartPark parking portfolio.
4. On January 12, 2011, City Council authorized Ordinance No. 184360 awarding a Contract to Central Parking System of Washington, Inc. for Parking Garage Management Services for the SmartPark Garages.
5. This contract's Parking Garage Management Services include garage operations, merchant validation program, janitorial services, equipment maintenance services, network services and PCI Compliance responsibilities.
6. This contract is funded by receipts from the six SmartPark parking garages. Net operational revenue for FY 2018-2019 is budgeted to be \$13.2 million, which is an increase of approximately 20% over actual revenues recognized in the first fiscal year of this contract (FY 11-12). Operational expenses for FY 2018-2019 are budgeted to be \$2.9 million with an anticipated net revenue to the City of \$10.3 million.
7. Section 2 of Contract No. 30001972, Effective Date and Duration, set the initial term of the Contract for three years, effective April 1, 2011 and expiring on March 31, 2014. The Contract provided for an extension, by mutual consent, for an additional two-year period for a total contractual period of not more than five (5) years.

8. The Contract was amended (Amendment No. 2) by mutual consent of the Parties on March 5, 2014 extending the term of the Contract for an additional two (2) years beginning April 1, 2014 through and including March 31, 2016.
9. Section 2 of Contract No. 30001972, Effective Date and Duration, provides that, following Council approval, the Contract may be extended an additional five (5) years, taken individually or in multiple years, however, the total term of the Contract shall not exceed ten (10) years.
10. On December 30, 2015 City Council authorized Ordinance No. 187532 amending Contract No. 30001972 to extend the term of the contract through March 31, 2017 and with an option for an additional one year period, with mutual consent of the Parties, for a total contractual period of not more than seven (7) years.
11. The Contract was amended (Amendment No. 6) by mutual consent of the Parties on February 1, 2017 extending the term of the Contract for an additional one (1) year beginning April 1, 2017 through and including March 31, 2018.
12. On December 06, 2017 City Council authorized Ordinance No. 188706 amending Contract No. 30001972 to extend the term of the contract through March 31, 2019 for a total contractual period of not more than eight (8) years.
