Contact name: Nicole Grant
Contact phone: (503) 823-1056
Presenter name: Nicole Grant

Purpose of proposed legislation and background information:

This Resolution updates the PCCEP Plan previously adopted by Council as described in the Resolution. It refines the PCCEP Plan based on the work of the Mayor's staff, the PCCEP Project Manager, the Selection Advisory Committee and the Facilitators, working with the community

Financial and budgetary impacts:

No fiscal or budgetary impacts.

Community impacts and community involvement:

The City has engaged in a lengthy process to involve the community in the formation of the new PCCEP. Two citizen advisory committees have been constituted to advise on the selection of the facilitator and on the selection of members. From May to September 2017, Council held five hearings on the proposed amendments to the Settlement Agreement, eventually approving the PCCEP Plan. The Mayor has been holding monthly forums on policing to involve and inform the community in these issues until the new PCCEP is up and running, including a forum on August 29 dedicated to the PCCEP itself. The facilitators have been reaching out to the community particularly to populations not traditionally involved in City processes. One purpose of these amendments is to give a voice to youth on the PCCEP as to how the police should engage with the community. The City has also consulted extensively with the Albina Ministerial Alliance Coalition for Justice and Police Reform on these amendments

100% Renewable Goal:

No impacts on this goal.
