Subject: question from Portland-Khabarovsk Sister City Association

Hi Susan,

Chido Dhliwayo advised me to contact you to find out if it would be possible for a visiting exchange group from Portland's sister city in the Russian Far East (Khabarovsk) to be formally welcomed by City Council and for the leader of the group to say a few words in response on the morning of September 12th. The group consists of English language students and adult supervisors from Gymnasium #5, which is in its third year of a reciprocal educational travel exchange with Russian language students at Franklin H.S.

Thanks for your assistance.

Alan Ellis—President of the Portland-Khabarovsk Sister City Association
