Dear Mayor Ted Wheeler:

**I call on you to urgently advance a proposal for an overlay zoning designation that will help prevent the closure of Portland's 62 manufactured home parks.**

These parks provide affordable homes for thousands of Portlanders with few other housing options -- including older adults, people living with disabilities, veterans, people of color and immigrants.

Investors are targeting manufactured housing parks for redevelopment, threatening our neighbors with displacement and potential homelessness. The detrimental effects for these families -- and for our schools, neighborhoods and places of worship -- will be irreversible.

**I am counting on you to protect our neighbors' homes.**

Sincerely,
