Dear Susan,

Costa Rica delegates from Partners of America CONFIRM that they will be @ city hall on Wednesday Sept 26th at 9am. We (Oregon's Partners of the Americas) are their hosts and are also confirming they will be there and speak less than 3 minutes to Mayor Wheeler and Commissioners.

In the past Portland proclaimed it Costa Rica Day in honor the many goals we share- decreasing fossil fuel, using renewables ( their electricity is 100% renewable) and tourism focus on nature and biodiversity. More land in Costa Rica is in national parks than in private lands.
