PCCEP will work to facilitate positive police/community relationships and promote public safety by assessing the Portland Police Bureau's (PPB) current community engagement processes, and developing recommendations and strategies for systems to increase public outreach and engagement with a broad cross-section of the community, to build confidence and improve outcomes. Additionally, PCCEP members will review and make recommendations on PPB policies touching the DOJ Settlement Agreement and/or key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice.
