

ORDINANCE No. 189193

Authorize sale of usable surplus Mobile Data Computers pursuant to City Code 5.36 for approximately \$12,250 (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Police Bureau is replacing all of the Mobile Data Computers (MDCs) that are installed in its vehicles because they have reached the end of their useful lives.
2. Criminal Justice Information System (CJIS) standards set by the Federal Bureau of Investigation require two-factor authentication for secure logon to the bureau's MDCs.
3. The old MDCs required an added piece of hardware, the POSH MX5-K9 units, to provide two-factor authentication for CJIS compliance.
4. The MDC replacement project has selected new MDCs that include built-in two-factor authentication, making the POSH MX5-K9 hardware obsolete.
5. POSH MFG USA, LLC (POSH), the manufacturer of the MX5-K9 units, is willing to buy back the bureau's inventory, which would benefit the City financially and minimize waste and pollution.
6. The Bureau of Technology Services (BTS) has determined that the most efficient and cost-effective option for disposal of this usable surplus technical equipment is through the sell-back to POSH of these units.

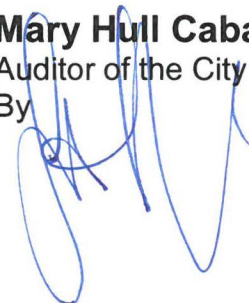

NOW, THEREFORE, the Council directs:

- a. The Chief Procurement Officer is hereby authorized to sell the obsolete MX5-K9 units owned by the Police Bureau to POSH MFG USA, LLC.

Passed by the Council: OCT 03 2018
