

IMPACT STATEMENT

Legislation title: Authorize application to the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance for a grant in the amount of \$391,694 for the Edward Byrne Memorial Justice Assistance Grant Program FY 2018 Local Solicitation to assist the Portland-Metropolitan area law enforcement and criminal justice community prevent and reduce crime and violence (Ordinance)

Contact name: Veronica L. Nordeen, Portland Police Bureau (PPB) Fiscal Grants Analyst
Contact phone: 503-823-0331

Presenter name: Catherine Reiland
Sr. Business Operations Manager, PPB Fiscal and JAG Project Manager
Bob Del Gizzi may appear in her stead.

Purpose of proposed legislation and background information: This legislation authorizes the Mayor to make application to U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA) for the 2018 Justice Assistance Grant (JAG) grant funding opportunity. The City of Portland is designated as the lead applicant and fiscal agent.

The 2018 JAG solicitation still requires a minimum of 30-days review by the governing body of the unit of local government although OJP decreased the application window from six to four weeks this year. The new DOJ certification process requires the Mayor to certify, at the time of the grant award, that the review took place and citizens were provided an opportunity to comment on the application to the extent applicable law or established procedures make such opportunity available. Upon advice from the City Attorney, the Police Bureau (PPB) is proceeding with the Non-Emergency, Regular Agenda application ordinance to fulfill the review requirement. The City's application was submitted on August 22, 2018.

The City's formulaic share of the funding, \$189,585, will fund two PPB projects. 1) The Bicycle Theft Task Force (BTTF) bicycle registration program; and 2) RegJIN's digital exchange, known as a hub, for sharing records data. The hub will be separate from the Records Management System (RMS) and designed for easy integration with any RMS an agency may choose. It would provide the ability for any agency participating in the hub to query records of all other participating LEAs. The hub would be pass-through only; it would not be a repository for agency's law enforcement data, but would rather pass one agency's records queries directly to other agencies' records systems, gather the results, and return them, without storing anything.

Multnomah County requested funding for the North Neighborhood Deputy District Attorney position. Their share is \$148,960. The Gresham Police Department is asking for grant funds for their education program, "Every 15 Minutes," which is designed to dramatically instill teenagers with the potentially dangerous consequences of drinking alcohol and texting while driving (distracted and impaired driving). Their share is \$53,149.

Financial and budgetary impacts: There are no financial or budgetary impacts with this legislation. Separate Intergovernmental Agreements will be executed at the time of the award with Multnomah County and the City of Gresham in order to obligate agency roles and responsibilities.

Community impacts and community involvement: There are no legal or controversial issues. There is no voluntary citizen participation. There are no links to current City policies.

Indicate who/which groups will be testifying: Community members.
