To Major Baker.

Dear Sir:

In the Sunday Oregonian  
I saw your request for some girl  
to write to some lonesome Portland  
Boy in the Third Oregon regiment,

Altho I am not in  
Oregon I am willing to write and  
will do so if you still need some  
one or know of any soldier who  
would care to write to a Washington  
girl.

I would like very much  
to correspond to a Oregon Boy. yours

Sincerely,  
My address is

Miss Edith Plunkett
