Travel Chief

I am writing you
a few lines to let you know that
I received your very kind
welcome letter and sure was
glad to hear from you and
the reason I delayed an answer
was cause I got this trip
with prisoners and got a first
day pass and when we got
here I found out that there
was a National Rotarians
Convention and I thought you
was with the crowd But I
never seen you and Believe
me there is some Am-Bush
Beer here that appeals to a lot
of people and I am going
Back to Texas in the morning
